

FORRESTFIELD–AIRPORT LINK — FLY IN, FLY OUT WORKERS

868. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:

I genuinely hope the parliamentary secretary's back gets better, having had a similar ailment.

I refer to the March 2014 report undertaken by Painted Dog Research into fly in, fly out workers' opinions on the proposed airport rail line.

- (1) What percentage of FIFO workers does the research identify as willing to consider using the rail line?
- (2) Does the research identify any barriers or issues that need to be addressed before FIFO workers will be able or willing to use the rail line?
- (3) If there are any barriers or issues, what are they?
- (4) Will the minister table the full report; and, if not, why not?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of the question.

Unfortunately, it has not been possible to provide a detailed answer in regard to this question in the time available. I will seek a more adequate answer at the next day's sitting.
