

FREMANTLE EASTERN BYPASS, RENTAL FROM RESUMED PROPERTIES

188. Hon Jim Scott to the Parliamentary Secretary representing the Minister for Planning and Infrastructure  
In relation to housing properties purchased/resumed by Main Roads WA (MRWA) along the former Fremantle Eastern Bypass route -

What is the total rental income to date that MRWA has received from properties under its control along the bypass route from High Street to Rollinson Road?

Hon G.T. GIFFARD replied:

Main Roads commenced purchasing properties along the former Fremantle Eastern Bypass alignment in 1967.

Details of rents received since that time are not available. However, if there is a specific aspect in regard to any of the properties which the Hon Member requires details for, I would be happy to provide them wherever possible.
