

PUBLIC TRANSPORT — COST — PERTH STADIUM

2889. Hon Ken Travers to the Parliamentary Secretary representing the Minister for Transport:

- (1) Will the cost to run public transport at the new Perth Stadium be recouped from the stadium users?
- (2) If no to (1), who will cover the cost?
- (3) Has the Public Transport Authority done any modelling to share with potential users of the new Perth Stadium on the cost of public transport for different sized events?
- (4) If yes to (3), will the Minister table the modelling?
- (5) If no to (3), why not?

**Hon Jim Chown replied:**

- (1) The current practice of commercial event organisers paying for most direct operating costs of additional train and bus services (i.e. beyond the normal timetabled services) is intended to continue and will include the new Perth Stadium.
- (2) Not applicable
- (3) Yes, modelling work has commenced however it has not been completed.
- (4) Not applicable
- (5) See response to part (3).
