

**FARM DAMS AND WATER LICENSING**

*Notice of Motion*

**Mr P.D. Omodei (Leader of the Opposition)** gave notice that at the next sitting of the house he would move -  
That this house -

- (a) condemns the Carpenter Labor government for failure to consult with landholders in relation to proposals to license farm dams and calls on the government to conduct a series of public meetings to clearly outline the intentions of the government; and
- (b) calls on the Carpenter government to allow management, control and dispute resolution of water licensing to reside locally with water committees and not with government bureaucracy.
