

DIGITAL DRIVERS' LICENCES

**799. Hon WILSON TUCKER to the Minister for Innovation and the Digital Economy:**

I note the growing list of jurisdictions providing their motorists with the option of a digital driver's licence, including New South Wales, South Australia, and recently announced Queensland and Victoria. Can the minister please confirm that a digital driver's licence is an intended feature of the ServiceWA app; and, if so, when can we expect its implementation?

**Hon STEPHEN DAWSON replied:**

I thank the honourable member for some notice of the question. The Department of the Premier and Cabinet and the Department of Transport are currently evaluating the potential implementation of a digital driver's licence in the ServiceWA app.
