

FREMANTLE TRAFFIC BRIDGE — ENGINEERING REPORTS

Question without Notice 1256 — Correction of Answer

HON JIM CHOWN (Agricultural — Parliamentary Secretary) [5.08 pm]: Yesterday, in answer to Hon Kate Doust's question without notice 1256, it was incorrectly stated that an engineering report was tabled as supplementary information during the lower house 2016–17 budget estimates. I would now like to table the report.
