

MANDURAH RAILWAY — NEW STATIONS

1126. Hon Ken Travers to the Parliamentary Secretary representing the Minister for Transport:

I refer to the proposed Wandii North Station, and ask:

- (a) did the Government complete a plan for the Wandii North Station;
- (b) if yes to (a), will the Minister table a copy;
- (c) how much was spent on the plan;
- (d) when did the Government decide not to build the Wandii North Station; and
- (e) what were the reasons for not building the Wandii North Station?

Hon Jim Chown replied:

- (a) As part of the South West Metropolitan Railway Master Plan of April 2000, provision was made for a potential future station at Mandogalup.
- (b)–(c) Not applicable
- (d)–(e) The Liberal National Governments construction of the Aubin Grove station that the previous Labor government failed to build when constructing the Mandurah line will provide for the demand of the area.
