

MARTUWARRA FITZROY RIVER — BRIDGE

**723. Hon NEIL THOMSON to the minister representing the Minister for Transport:**

I refer to the progress on the Martuwarra Fitzroy River Bridge at Fitzroy Crossing.

- (1) Will the existing two-lane level crossing be retained over the 2023–24 wet season?
- (2) Will the minister provide a guarantee that heavy transport will continue to operate across the Martuwarra Fitzroy River throughout the 2023–24 wet season?
- (3) When will the bridge be open to heavy transport?

**Hon STEPHEN DAWSON replied:**

I thank the honourable member for some notice of the question.

- (1)–(3) Main Roads is investigating options to maintain connectivity for all traffic during the coming wet season. The new Fitzroy River Bridge is progressing at pace, with demolition of the old bridge completed last month and piling for the bridge now halfway complete.
