

AUSTRALAND PORT COOGEE PROJECT, FINANCIAL REPORT

291. Hon JIM SCOTT to the parliamentary secretary representing the Minister for Planning and Infrastructure:

I refer to the Ernst and Young financial report on the Australand Port Coogee project.

- (1) When did the minister refer the Ernst and Young report to a government agency for assessment?
- (2) To which government agency was the report referred?
- (3) Has the minister received an assessment of the Ernst and Young report?
- (4) If yes to (3), will the minister detail the findings of the assessment?
- (5) Will the minister table the report by Ernst and Young on the Australand development at Port Coogee, and the government agency's findings?
