

HALLS CREEK - HOUSING

**1066. Hon MURRAY CRIDDLE to the parliamentary secretary representing the Minister for Planning and Infrastructure:**

I refer to the state government's proposal for the development of housing in Halls Creek.

- (1) What has been the cost of the development of the land for the Bridge Street project, and what has been the average cost of the development of each block?
- (2) What was the cost of developing the block for the six-house project for government employees in John Flynn Street, Halls Creek?

**Hon ADELE FARINA replied:**

I thank the honourable member for some notice of this question.

- (1) The cost of the development of the first 27 lots in the Bridge Street subdivision is approximately \$190 000 a lot.
- (2) Please refer the question to the appropriate minister.
