

TRANSPORT — COMMERCIAL VEHICLES

953. Hon SAMANTHA ROWE to the parliamentary secretary representing the Minister for Transport:

I refer to the Minister for Transport's answer to question without notice 894 that stated that there were 936 006 light vehicles in WA licensed as business vehicles. Of those 936 006, how many are passenger vehicles?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of this question. Vehicles are not categorised as passenger vehicles. Vehicles are categorised for business or private use.
