

CASUARINA BOAT HARBOUR

4088. Hon Adele Farina to the parliamentary secretary representing the Minister for Transport:

- (1) What is the current status of the expansion of the Casuarina Boat Harbour?
- (2) In 2015–16, how much money was expended on improving facilities at the Casuarina Boat Harbour?
- (3) In relation to (2), what works were completed?

Hon Jim Chown replied:

- (1) Planning for the expansion of Casuarina Boat Harbour (boat pens and facilities) is occurring under the framework of the Transforming Bunbury Waterfront (TBW) initiative being led by the South West Development Commission (SWDC) with input from the Department of Transport. A conceptual design for the expansion has been prepared and can be viewed on the SWDC website. SWDC is leading the preparation of Business Cases for a number of TBW stages.
- (2) \$44 000.
- (3) Works completed were installation of:
a solar floodlight to the end of the breakwater;
fencing the commercial lease lots;
fire hose reels to the recreational pens; and
floodlighting to the commercial fishing pens.
