

BUILDERS' SUPPORT FACILITY

994. Mr R.S. Love to the Minister for Planning; Lands; Housing; Homelessness:

I refer to the Builders' Support Facility announcement on 4 January 2024, and I ask:

- (a) What date will applications for this loan facility open;
- (b) Please outline a timeline (including opening of applications and payment dates) of this program;
- (c) What is the rationale for paying the interest-free loan in instalments as opposed to a lump sum; and
- (d) Will buildings that have been finished since builders lodged their interest be considered for funding?

Mr J.N. Carey replied:

Please refer to the answer provided to Legislative Assembly Question on Notice 993.
