

2005-06 BUDGET, TOURISM COMMITMENTS FOR THE SOUTH WEST

253. Mr P.D. OMODEI to the Minister for Peel and the South West:

I have a supplementary question. Where, in the budget, is the \$3.2 million estimated for this icon project?

Mr M. McGOWAN replied:

I just answered that. We are currently doing a feasibility study on this matter. Funds should not be committed before it is known how much the project would cost. That is the way a good responsible budget is framed, and the way this government puts together its financial management.
