

LOCAL GOVERNMENT, BOUNDARIES IN SOUTH METROPOLITAN REGION

618. Hon Jim Scott to the Minister for Local Government and Regional Development

- (1) Is the Minister considering altering the boundaries of any Local Government areas in the South Metropolitan Region?
- (2) If so, what changes are being considered?

Hon TOM STEPHENS replied:

- (1)-(2) Currently I am not considering any changes to local government boundaries in the South Metropolitan Region. However, I am advised that the Local Government Advisory Board will shortly submit for my consideration a proposal to effect minor changes to the boundaries of the City of Cockburn that do not impact on any other local government.
