

SOUTH COAST MARINE PARK — CONSULTATION

**1226. Hon COLIN de GRUSSA to the parliamentary secretary representing the Minister for Environment:**

I refer to the community engagement process in relation to the proposed South Coast Marine Park.

- (1) Can the minister please provide the dates on which the tourism sector advisory group, or TSAG, met?
- (2) On how many occasions did the TSAG provide presentations and submissions to the community reference committee?

**Hon DARREN WEST replied:**

I thank the honourable member for some notice of the question. On behalf of the Minister for Environment, I provide the following answer.

- (1) The tourism sector advisory group was independently established to provide consolidated advice from the tourism sector to inform community reference committee deliberations. Dates on which the independent TSAG met are unknown.
- (2) A representative from TSAG presented to the CRC at meetings one, two, five and six. TSAG made a written submission regarding the proposed marine park boundary, which was provided to the second meeting of the CRC.
