- 19           (2) The purported reduction is of no effect.

20          **51Q. Alternative remedies**

5                   **entitlements**

6           (1) In this section —

7                   ***award, agreement or enactment*** means —

8                       (a) an award or industrial agreement; or

9                       (b) an agreement between an employer and

13                           another State or a Territory;

14                   ***entitlement***, in relation to long service leave or  
15                   payment on termination instead of long service leave,  
16                   includes an eligibility to become entitled to the long  
17                   service leave or payment on termination instead of long  
18                   service leave;

19                   ***WA LSL*** means long service leave, or payment on  
20                   termination instead of long service leave, under  
21                   Part III.

22           (2) For the purposes of this section, a ***separate LSL***  
23                   ***entitlement*** is an entitlement to long service leave, or a  
24                   payment on termination instead of long service leave,  
25                   under an award, agreement or enactment.

26           (3) For the purposes of this section, a payment (whether in  
27                   the form of a loading, other additional incremental  
28                   payment or otherwise) instead of an entitlement under  
29                   subsection (2) is not a ***separate LSL entitlement***.

30           (4) This Act does not apply to an employee who has a  
31                   separate LSL entitlement to take long service leave or  
32                   to be paid on termination instead of long service leave

**s. 74**

- 1 that is at least equivalent to the entitlement to WA LSL  
2 to take long service leave or to be paid on termination  
3 instead of long service leave.
- 4 (5) Subsection (6) applies to an employee —

8 WA LSL, had a separate LSL entitlement in  
9 relation to employment with the employer.
- 10 (6) Any long service leave taken by, or payment on  
11 termination instead of long service leave made to, the  
12 employee under the separate LSL entitlement must be  
13 taken into account in the calculation of the employee's  
14 entitlement to WA LSL as if it were taken, or paid on  
15 termination, as WA LSL.
- 16 **5. Cashing out of accrued long service leave**
- 17 (1) An employer and an employee may agree that the  
18 employee may forgo the employee's entitlement, or  
19 part of the employee's entitlement, to long service  
20 leave under section 8(2)(a) or (b) if —  
21 (a) the employee is given an adequate benefit  
22 instead of the entitlement; and  
23 (b) the agreement is in writing, signed by the  
24 employer and employee.
- 25 (2) For the purposes of subsection (1), a benefit is not  
26 adequate unless the employee is paid at least the  
27 amount of ordinary pay the employee would have  
28 received had the employee taken the long service leave  
29 or part of the leave.
- 30 (3) Nothing in this section enables the employer and  
31 employee to reach the agreement before the

1 employee's entitlement to long service leave has  
2 accrued.

3 **6. Continuous employment**

4 (1) An employee's *continuous employment* with an

6 the Commonwealth other than as a member of  
7 the Permanent Forces of the Commonwealth of

30 union business in respect of which the  
31 employee has requested and been refused leave;
- 32 (e) an absence for a reason not specified in  
33 subsection (1) or (2) or in this subsection unless  
34 the employer gives, during or within 14 days

- 1                                   after the absence, written notice to the  
2                                   employee that the continuity of the employment  
3                                   has been broken by the absence.
- 4           (4) An employee has *continuous employment* with an  
5           employer despite a termination of the employment by  
6           the employer —
- 7                   (a) on any ground other than slackness of trade —

9                   within a period not exceeding 2 months from  
10                  the date of the termination;
- 11                  (b) on the ground of slackness of trade — if the

14                  the date of the termination.
- 15           (5) A casual or seasonal employee has *continuous*  
16           *employment* with an employer despite an absence from  
17           work comprising any of the following, irrespective of

- 19                   (a) an absence under the terms of the employment;
- 20                   (b) an absence caused by seasonal factors;
- 21                   (c) any other absence after which the employee  
22                   has, due to the regular and systematic nature of  
23                   the employment, a reasonable expectation of  
24                   returning to work for the employer.
- 25           (6) In addition, a casual or seasonal employee has  
26           *continuous employment* with an employer despite the  
27           fact that the employee —
