**Subdivision 2 — Objections**

- (7) If a term used in this section is given a meaning in the *Duties Act 2008* or the *Taxation Administration Act 2003*, it has the same meaning in this section unless the contrary intention appears.
- (8) In this section, a reference to the transfer of dutiable property includes a reference to an agreement for the transfer of the property.

### **Division 4 — Charge on interest in home**

#### **55. Lodgement of memorial and creation of charge**

- (1) The Commissioner may lodge with the Registrar a memorial signed by the Commissioner if an applicant for a first home owner grant —
  - (a) is liable to pay an amount to which section 53 applies; and
  - (b) holds a relevant interest in relation to the home for which the grant was sought.
- (2A) The Commissioner may lodge with the Registrar a memorial signed by the Commissioner if —
  - (a) a payment of a first home owner grant authorised under section 21 has been made to an applicant; and

  - (c) the Commissioner reasonably believes that the applicant intends to sell the home before the applicant has complied with the residence requirements.
- (2) When a memorial lodged under subsection (1) is registered by the Registrar, a charge for the amount to which section 53 applies is created on the relevant interest.
- (3A) When a memorial lodged under subsection (2A) is registered by the Registrar, a charge for the amount of the first home owner grant that was paid to the applicant is created on the relevant interest.
- (3) If the memorial so provides, the Registrar cannot, after its registration, register a dealing with the relevant interest, and must reject an instrument submitted for registration relating to such a dealing, unless —
  - (a) the Commissioner consents; or
  - (b) the registration of the memorial has been cancelled.
- (4) The Registrar must cancel the registration of the memorial —
  - (a) on the application of the Commissioner; or
  - (b) on the application of the person who holds the relevant interest, if the application is accompanied by an instrument signed by the Commissioner releasing the relevant interest from the charge created by the registration of the memorial.

- (5) When the memorial is registered, the Commissioner must notify the holder of any registered encumbrance over the relevant interest of the registration of the memorial, but a failure to do so does not invalidate the registration of the memorial.
- (6) In this section —  
*registered* means registered under the *Registration of Deeds Act 1856* or *Transfer of Land Act 1893*, as the case requires.  
*[Section 55 amended: No. 27 of 2009 s. 19.]*

**56. Priority of charge**

- (1) A charge created by the registration of a memorial referred to in section 55 is a first charge on the relevant interest to which it relates and has priority over all other mortgages, charges and other encumbrances over the relevant interest.
- (2) However, if there is another charge on the relevant interest that ranks as a first charge under another Act, the relative priority of the charge referred to in subsection (1) and the other charge is to be determined according to the order of registration.

**57. Release of relevant interest from charge**

- (1) The Commissioner must, on payment of the amount secured by a charge on a relevant interest created by the registration of a memorial referred to in section 55, release the relevant interest from the charge.
- (2) The Registrar must, on the production of the instrument of release, cancel the registration of the memorial.

**58. Order for sale of relevant interest**

- (1) If —
- (a) an applicant for a first home owner grant —
    - (i) is liable to pay an amount under section 53(2) (the *outstanding amount*); and
    - (ii) holds a relevant interest in relation to the home for which the grant was sought;
- and
- (b) the outstanding amount remains unpaid for 18 months after the registration of the memorial referred to in section 55 to create a charge to secure the amount; and

- (c) the registration of the memorial has not been cancelled, the Commissioner may apply to the Supreme Court for an order for the sale of the relevant interest so that the proceeds of sale may be applied towards satisfaction of the outstanding amount.
- (2) At least 6 months before the Commissioner makes an application to the Supreme Court under this section, the Commissioner must —
- (a) have notice of the intended application published in 2 newspapers —
    - (i) one circulating generally throughout the State; and
    - (ii) the other circulating generally throughout Australia;and
  - (b) if the whereabouts of the person referred to in subsection (1)(a) are known to the Commissioner — give written notice of the intended application to the person; and
  - (c) give written notice of the intended application to the holder of any registered encumbrance over the relevant interest whose whereabouts are known to the Commissioner.
- (3) On an application under this section, the Supreme Court may order the sale of the relevant interest and make incidental orders —
- (a) about how the sale is to be conducted; and
  - (b) authorising an officer of the Court to execute documents, and to do anything else necessary, for the sale and conveyance of the relevant interest; and
  - (c) authorising the Registrar to register a transfer to a purchaser without requiring the duplicate (if any) of the certificate of title or any other document; and
  - (d) directing (subject to subsection (5)) how the proceeds of sale are to be dealt with; and
  - (e) dealing with the costs of the proceedings and other incidental matters.
- (4) A sale by order of the Supreme Court discharges the relevant interest from any mortgage, charge or other encumbrance securing a monetary obligation, but the relevant interest remains subject to any lease, easement or other encumbrance.

- (5) The proceeds of the sale are to be applied —
- (a) firstly, in payment of the costs of the sale; and
  - (b) secondly, in payment of the costs of the proceedings so far as those costs are, by order of the Court, to be paid out of the proceeds of sale; and
  - (c) thirdly, in payment of the outstanding amount; and
  - (d) fourthly, in discharge of any outstanding monetary liability secured by a mortgage, charge or other encumbrance referred to in subsection (4),

and any remaining balance is to be applied as directed by the Court.

**59. Charge not to limit other means of enforcing payment**

The existence of a charge created by the registration of a memorial referred to in section 55 does not affect the Commissioner's discretion to proceed for recovery of the amount secured by the charge in proceedings unrelated to the charge.

**60. Commissioner may require fees to be reimbursed**

- (1) The Commissioner may, by written notice, require an applicant for a first home owner grant, who holds a relevant interest in relation to which a memorial is lodged under section 55, to pay the amount of any fees paid by the Commissioner for the registration, or the cancellation of the registration, of the memorial.
- (2) An amount required to be paid under subsection (1) must be paid by the applicant within 28 days after the date on which notice of the requirement is given to the applicant.

  - (f) communicated in some other way agreed by the person.
- (2) The use of a particular method for service of a document on a particular person does not prevent the service of other documents on the same person in a different way.
- (3) If a notice or other document is not served personally, the document is taken to be served on a day prescribed by the regulations.
- (4) For the purposes of subsection (3), the regulations may prescribe different days for documents served by different methods and in different circumstances.

### **Part 3 — Transitional provisions**

#### **Division 1 — First home owner grant**

##### **5. Terms used in this Division**

- (1) In this Division —
- commencement day** means the day on which this Act receives the Royal Assent;
- FHOG Act** means the *First Home Owner Grant Act 2000*;
- relevant eligible transaction** means an eligible transaction —
- (a) relating to a relevant interest in land that is a licence or right of occupancy granted by a local government, as described in the FHOG Act section 6(1)(f) (as amended by this Act); and
  - (b) the commencement date of which is on or before the commencement day.
- (2) A term used in this Division that is defined in the FHOG Act has the same meaning in this Division as it has in that Act.

##### **6. Application of amendments to FHOG Act section 12**

- (1) If, before the commencement day, a person was not ineligible under the FHOG Act section 12 to be an applicant for a first home owner grant, the person does not become ineligible under that section on and after that day to be such an applicant only because of the amendments to that Act effected by section 4.
- (2) However, subsection (1) applies only if the commencement date of the eligible transaction to which the application relates is on or before the commencement day.

##### **7. Application of amendments to FHOG Act section 15**

- (1) If an application for a first home owner grant that relates to a relevant eligible transaction is made under the FHOG Act, section 15 of that Act applies to the application as if subsection (5) of that section were repealed and the following subsection were inserted instead —

“

- (5) The application may only be made within the period —
  - (a) beginning on the commencement date of the relevant eligible transaction; and
  - (b) ending 12 months after the later of —
    - (i) the completion of the relevant eligible transaction; or
    - (ii) the day on which the *First Home Owner Grant Amendment Act 2005* receives the Royal Assent.

- ”.
- (2) Subject to subsection (1) and section 6, the FHOG Act as in force on the commencement date of the relevant eligible transaction applies to and in relation to an application referred to in that subsection.

**8. Application of amendments to existing first home owner grants**

The amendments to the FHOG Act effected by section 4 do not affect the validity of a first home owner grant that has been paid, or authorised to be paid, before the commencement day.

**Division 2 — Stamp duty**

**9. Terms used in this Division**

- (1) In this Division —
- commencement day* means the day on which this Act receives the Royal Assent;
- relevant instrument of transfer* means an instrument of transfer —

If an application is made to the Commissioner under section 75AG for the amount of duty chargeable on a relevant instrument of transfer to be assessed under that section, section 75AG applies to the application as if subsection (4) of that section were repealed and the following subsection were inserted instead —

“

- (a) beginning on the commencement date of the eligible transaction to which the application relates; and
