## **Part 2 — Tax administration generally**

### **6. Commissioner of State Revenue**

A Commissioner of State Revenue is to be appointed under Part 3 of the *Public Sector Management Act 1994*.

### **7. Administration of taxation Acts**

(1) The Commissioner is responsible to the Minister for applying and giving effect to the taxation Acts.

(2) The Commissioner is not subject to Ministerial control or direction in relation to —

- 10
- (a) the interpretation of a taxation Act; or
  - (b) the exercise of a power under a taxation Act.

### **8. Commissioner's functions**

15 In addition to performing the functions conferred on the Commissioner under a taxation Act, the Commissioner may perform any function conferred on an investigator under a taxation Act.

### **9. Judicial notice of appointment and signature**

All courts and persons acting judicially are to take judicial notice —

- 20
- (a) of the fact that a person holds or has held the office of Commissioner; and
  - (b) of the official signature of a person who holds or has held the office of Commissioner.

### **10. Delegation**

25 (1) The Commissioner may delegate any of the Commissioner's functions under a taxation Act except —

- (a) the power to delegate under this section;

- (b) the power to issue an identity card; and
  - (c) the power to give an authorisation under section 90(3), 91(1)(a) or 93(2).
- (2) The delegation must be in writing signed by the Commissioner.
- 5 (3) A person exercising or performing a power or duty that has been delegated to the person under this section is to be taken to do so in accordance with the terms of the delegation unless the contrary is shown.
- (4) Nothing in this section limits the ability of the Commissioner to  
10 perform a function through an agent.
- (5) The Commissioner is to keep a register of delegates, which may be kept electronically or otherwise.
- (6) If a person exercises, or claims to be entitled to exercise,  
15 functions delegated by the Commissioner in relation to a taxpayer or a taxpayer's affairs, the Commissioner must, at the request of the taxpayer, make the relevant entry in the register of delegates, or a print-out of it, available for inspection by the taxpayer or a representative of the taxpayer.

#### **11. Tax investigators**

- 20 (1) The Commissioner may appoint a person to be an investigator for the purposes of the taxation Acts.
- (2) The Commissioner is to issue an identity card to each investigator.
- (3) An identity card must —  
25
  - (a) include a statement to the effect that the person identified by the card is an investigator for the purposes of the taxation Acts; and
  - (b) include a photograph of the investigator.

**s. 12**

---

- (4) If a person to whom an identity card is issued ceases to be an investigator, the person must immediately return the card to the Commissioner.

Penalty for an offence against subsection (4): \$20 000.

5 **12. Appointed representatives for court proceedings**

- (1) The Commissioner may appoint a person to represent the Commissioner —

- 10 (a) in court proceedings for recovery of tax;  
(b) in proceedings for an offence against a taxation Act; or  
(c) in other proceedings before a court or tribunal to which the Commissioner is a party.

- (2) An appointed representative may represent the Commissioner in accordance with the authorisation.

**Part 3 — Assessments of tax**

**Division 1 — Assessments**

**13. Assessments**

- (1) An assessment is a determination —
- 5           (a) of the amount of tax payable under a taxation Act;
  - (b) that no tax is payable;
  - (c) that a person is liable to pay tax or is exempt from liability to pay tax; or
  - 10          (d) that an instrument, event or transaction is liable to tax or is exempt from tax.
- (2) An assessment may be made in relation to any one or more, or all, the components of the tax payable by a taxpayer.
- (3) The receipt by the Commissioner of an amount as payment of tax does not constitute an assessment of tax liability.

15   **14. Self-assessments**

- A self-assessment is —
- (a) an assessment made by the taxpayer in a return under a taxation Act; or
  - 20          (b) an assessment made by a responsible party in a return or otherwise in accordance with a special tax return arrangement.

**15. Official assessments**

- (1) An official assessment is an assessment made by the Commissioner.

- (2) The Commissioner must make an official assessment of the tax payable by a person —
- (a) if the person is or is likely to be liable to pay tax, but is not required to make a self-assessment; or
  - 5 (b) when a taxation Act specifically requires the Commissioner to do so.
- (3) The Commissioner may make an official assessment on his or her own initiative, and may do so even if the taxpayer is required to make, or has made, a self-assessment.
- 10 (4) The Commissioner may make an official assessment in any other circumstances at the taxpayer's request.

**16. Reassessments**

- (1) The Commissioner must make a reassessment —
- 15 (a) if specifically required to do so under a taxation Act;
  - (b) if specifically required to do so under a direction of a court or tribunal hearing an appeal under section 41; or
  - (c) if a taxation Act provides for a rebate or refund of tax in particular circumstances, and the circumstances were not taken into account when the previous assessment was made.
  - 20
- (2) The Commissioner may also make a reassessment —
- (a) on his or her own initiative, if it appears that a previous assessment is or may be incorrect for any reason; or
  - (b) on the application of the taxpayer.
- 25 (3) A reassessment may be made whether or not any amount of tax has been paid on the previous assessment.
- (4) A reassessment may consolidate 2 or more separate assessments into a single assessment.
- 30 (5) A decision by the Commissioner not to make a reassessment under subsection (2)(b) is non-reviewable.

- (6) No action can be brought in a court to compel the Commissioner to make a reassessment if he or she is not required to do so by a taxation Act.

**17. Time limits on reassessments**

- 5 (1) A taxpayer is not entitled to apply for a reassessment more than 5 years after the original assessment was made.
- (2) The Commissioner may make a reassessment at any time after the previous assessment was made if —
- 10 (a) a court or tribunal hearing an appeal under section 41 has directed the Commissioner to make the reassessment; or
- (b) there are reasonable grounds for suspecting that there has been an evasion of tax, or that the previous
- 15 assessment was made on the basis of false or misleading information.
- (3) The Commissioner may make a reassessment of the amount of pay-roll tax payable on an original assessment that was made in or in relation to any of the 5 financial years that precede the financial year in which the reassessment is made.
- 20 (4) However, in any other circumstances the Commissioner may only make a reassessment within 5 years after the date of the original assessment or on an application made within 5 years after the date of the original assessment.

**18. Effect of reassessment**

- 25 (1) A reassessment supersedes the original assessment and any earlier reassessment.
- (2) A reassessment may increase or decrease the amount originally assessed.
- (3) However, if an assessment was based on —
- 30 (a) an interpretation of the applicable law; or

- (b) the Commissioner's practice,  
that was generally applied to instruments of that kind when the  
assessment was made, then the Commissioner cannot make a  
reassessment on the ground that the interpretation or practice is  
or was erroneous.
- (4) If tax payable on an instrument is reassessed, and the instrument  
or a duplicate or copy of it is produced to the Commissioner, the  
Commissioner may stamp it with a stamp denoting the amount  
of tax (if any) payable under the reassessment and the amount of  
tax paid (if any), (but the reassessment takes effect irrespective  
of restamping).
- (5) A reassessment does not invalidate proceedings for the recovery  
of tax, but the amount to be recovered is to be amended to take  
account of the reassessment.
- (6) If an objection to an assessment is lodged but a reassessment is  
made before the objection is determined, the objection may be  
continued against the reassessment to the extent that it is liable  
to the same objection or to an objection that is the same, or  
similar, in substance.
- 19. Assessments based on estimated or suspected liability**
- (1) If the Commissioner suspects that a tax liability exists, the  
Commissioner may make an assessment on the basis of that  
suspicion and the Commissioner's estimate of the amount of the  
liability.
- (2) If a tax liability exists, but the Commissioner is not satisfied  
with the adequacy or reliability of information available to make  
an assessment, the Commissioner may make an assessment on  
the basis of the Commissioner's estimate of the amount of the  
liability.

**20. Assessments when instrument misleading or unavailable**

- 5 (1) If there are reasonable grounds for suspecting that an instrument lodged under a taxation Act is inaccurate or misleading, then for the purposes of making an assessment the Commissioner may —
- (a) create a memorandum of the instrument; and
  - (b) treat the memorandum as if it were the instrument.
- 10 (2) If tax is or may be payable on an instrument required to be lodged under a taxation Act, but the instrument has not been lodged as required, then for the purposes of making an assessment, the Commissioner may —
- (a) treat a copy of the instrument as if it were the instrument; or
  - 15 (b) if a copy of the instrument is not available — create a memorandum of the instrument, and treat the memorandum as if it were the instrument.
- 20 (3) If tax is or may be payable in relation to an event or transaction, but an instrument required to be prepared and lodged under a taxation Act in relation to the event or transaction has not been prepared or, if prepared, has not been lodged, then for the purposes of making an assessment the Commissioner may create a memorandum in substitution for the instrument and treat it as if the memorandum were the instrument.
- 25 (4) The payment of tax on the instrument may be denoted on the copy or memorandum.
- (5) The validity of an assessment and the liability to pay tax on an instrument, event or transaction do not depend on the availability of the instrument or a copy of it, or on the creation of a memorandum of it.
- 30 (6) This section does not limit the powers of the Commissioner under section 19.

**21. Ascertaining value of property, consideration or benefit**

- 5 (1) If it is necessary to ascertain the value of any property, consideration or benefit for the purposes of a taxation Act, the Commissioner may require the taxpayer to provide any information in the possession or control of the taxpayer that is relevant to determining the value of the property, consideration or benefit.
- (2) A requirement must specify the date on or before which the taxpayer is required to comply with it.
- 10 (3) A person who does not comply with a requirement commits an offence.  
Penalty: \$20 000.

**22. Commissioner's power to have valuation made**

- 15 (1) For the purposes of a taxation Act, the Commissioner may —  
(a) have a valuation made of any property, consideration or benefit; or  
(b) adopt any available valuation of the property, consideration or benefit that the Commissioner considers appropriate.
- 20 (2) The Commissioner may have a valuation made, or adopt a valuation, regardless of whether —  
(a) the Commissioner has required the taxpayer to provide information under section 21 about the value of the property, consideration or benefit; or  
25 (b) the taxpayer has complied with such a requirement.

**Division 2 — Assessment notices and returns**

**23. Assessment notices**

- (1) When the Commissioner makes an assessment, he or she must issue an assessment notice.
- 5 (2) However, the Commissioner does not have to issue an assessment notice if the Commissioner —
  - (a) makes a reassessment on his or her own initiative, and no tax is to be paid or refunded as a result of the reassessment; or
  - 10 (b) assesses the amount of stamp duty payable on an instrument and then stamps the instrument immediately.
- (3) When an assessment notice is issued, the Commissioner must serve it on the taxpayer.
- 15 (4) However, liability to tax is not dependent on service of the assessment notice.

**24. Form of assessment notice**

- (1) An assessment notice may be —
  - 20 (a) in the form of an account requiring payment of the amount assessed and of other amounts payable by the taxpayer; or
  - (b) in any other form approved by the Commissioner.
- (2) An assessment notice in relation to an original assessment must —
  - 25 (a) state the amount of tax payable under the primary liability;
  - (b) state the amount of penalty tax payable, if any; and
  - (c) indicate the due date for payment of the tax.

**Taxation Administration Bill 2001**

**Part 3** Assessments of tax

**Division 2** Assessment notices and returns

**s. 25**

---

- (3) An assessment notice in relation to a reassessment must —
- (a) state whether the amount payable is more or less than the amount assessed under the previous assessment;
  - (b) if an amount of tax has been overpaid — state whether the overpaid amount is to be refunded or credited to the taxpayer; and
  - (c) if the amount of tax has been increased, or an amount of tax remains unpaid — state the due date for payment of the amount or amounts to be paid.
- (4) For the purposes of subsection (3)(c), if the due date for payment of the tax has passed when the assessment notice is issued, the assessment notice must specify the due date for payment of any unpaid tax and any penalty tax payable in relation to the unpaid tax.
- (5) The date specified in an assessment notice as the due date for payment must be at least 14 days after the date of the assessment notice.
- (6) More than one assessment of primary tax or penalty tax, or both, may be included in an assessment notice, whether or not the assessments are made in respect of the same matter.

**25. Statement of grounds of assessment**

- (1) An assessment notice may include a statement of the grounds on which the assessment is made.
- (2) If an assessment notice relating to an assessment of a primary liability does not include a statement of the grounds on which the assessment is made —
- (a) the taxpayer may request the Commissioner to provide a statement of the grounds; and
  - (b) the Commissioner must serve a statement of the grounds on the taxpayer within 30 days after receiving the request.

- (3) If an assessment notice relating to an assessment of penalty tax does not include a statement of the grounds on which the assessment is made, the Commissioner must serve on the taxpayer a separate statement of the grounds.

5

**Division 3 — Penalty tax**

**26. Penalty tax for contravention of taxation Act**

- (1) A taxpayer is liable to pay penalty tax in the following circumstances —
- 10 (a) where the taxpayer does not prepare a dutiable statement as required by the *Stamp Act 1921*;
  - (b) where the taxpayer does not lodge an instrument in accordance with a taxation Act;
  - (c) where any other contravention of a taxation Act occurs and, as a result, the taxpayer —
    - 15 (i) avoids or delays the payment of tax; or
    - (ii) avoids or delays the submission of information required for the assessment of tax;
  - (d) where there is a material misstatement or omission in an instrument submitted to the Commissioner by or for the taxpayer under a taxation Act;
  - 20 (e) where the taxpayer fails to provide information required under a taxation Act or (intentionally or unintentionally) provides information that is incorrect, incomplete or misleading;
  - 25 (f) where the taxpayer makes an underestimation to avoid, delay or reduce the payment of tax;
  - (g) where the taxpayer fails to pay (or underpays) tax for which the taxpayer is liable.
- (2) If there are reasonable grounds for suspecting that a taxpayer is liable to pay penalty tax, the Commissioner may assess the amount of penalty tax payable by the taxpayer.
- 30

- (3) The amount of penalty tax payable is the amount equal to —
- (a) the amount of the taxpayer's primary liability; or
  - (b) the amount that the taxpayer would have been liable to pay if the circumstances giving rise to the liability to penalty tax had not occurred,
- 5 as the case requires.

**27. Penalty tax for late payment**

- (1) If tax is not paid by the due date, the taxpayer is liable to pay an amount of penalty tax for late payment equal to 20% of the amount outstanding on the due date.
- 10
- (2) However, penalty tax is not payable for late payment of —
- (a) instalments due under a tax payment arrangement; or
  - (b) an amount payable under section 47(6) as a result of the cancellation of a tax payment arrangement.

15 **28. Limitation on amount of penalty tax**

If the total amount of penalty tax assessed as payable by a taxpayer in relation to a primary liability exceeds, or would but for this section exceed, the amount of the primary liability, the amount of penalty tax payable is reduced to the amount equal to the amount of the primary liability.

20

**29. Remission of penalty tax**

- (1) The Commissioner may remit penalty tax wholly or in part.
- (2) Penalty tax may be remitted before or after an assessment of the penalty tax is made.
- 25 (3) If penalty tax is paid and later remitted, the amount remitted is to be refunded or credited against the taxpayer's present or future tax liabilities.

**30. Guidelines for imposing penalty tax**

- (1) The Commissioner may, from time to time, issue guidelines setting out the policy to be followed when deciding whether or not to remit penalty tax under section 29.
- 5    (2) The Commissioner must, at the request of a taxpayer, make a copy of the guidelines available to the taxpayer.

## **Part 4 — Objections and appeals**

### **Division 1 — Procedures and restrictions**

#### **31. Procedure for challenging assessments**

- 5            (1) A taxpayer is not entitled to challenge the validity or correctness of an assessment, or of any other decision for which rights of objection and appeal are conferred by this Act, except —
- (a) in proceedings by way of objection or appeal under this Act; or
- 10            (b) in any other manner specifically provided in a taxation Act.
- (2) Any other right that the taxpayer might, but for this subsection, have at common law to challenge the validity or correctness of an assessment or other decision is abrogated.

#### **32. Objections to land valuations**

- 15            The validity or correctness of a valuation under the *Valuation of Land Act 1978* may only be challenged in proceedings under Part IV of that Act, and not by way of objection or appeal against an assessment under this Act based on the valuation.

#### **33. Continuing obligation to pay assessed tax**

- 20            An objection, appeal or case stated does not suspend or defer an obligation to pay tax.

### **Division 2 — Objections**

#### **34. Right to object**

- 25            (1) A taxpayer may object to —
- (a) an assessment; or
- (b) another decision under a taxation Act that affects the taxpayer's liability to taxation.

- (2) However, an objection cannot be made against —
- (a) the determination of an objection;
  - (b) any reassessment made to give effect to the determination of an objection;
  - 5 (c) an assessment of an amount of stamp duty and penalty tax that is assessed under Part IIIC of the *Stamp Act 1921* and specified in a traffic infringement notice issued under section 102 of the *Road Traffic Act 1974*, unless the amount has been paid;
  - 10 (d) a non-reviewable decision;
  - (e) a decision in respect of which a taxation Act specifically provides other procedures for objection or appeal.
- (3) If a reassessment is made and the time for lodging an objection to the previous assessment has expired, an objection may only
- 15 be made against an increase in liability.

**35. Form of objection**

An objection must —

- (a) be in writing;
- 20 (b) set out fully and in detail the grounds on which the taxpayer objects to the assessment or decision; and
- (c) be lodged in accordance with section 106.

**36. Time for lodging objection**

- (1) An objection to an official assessment must be lodged within
- 25 60 days after —
- (a) the assessment notice is issued; or
  - (b) if the assessment is denoted by stamping in accordance with section 23(2)(b) — the date on which the document was stamped.

- (2) An objection to a self-assessment must be lodged within 60 days after the due date for lodging the return related to the assessment.
- 5 (3) An objection to another decision must be lodged within 60 days after the day on which the person affected by the decision was notified of the decision.
- (4) However, the Commissioner may, on application by the taxpayer, extend the time for lodging an objection.
- (5) An application for an extension of time —
- 10        (a) must be made within 12 months after the date on which the objection was to have been lodged under subsection (1), (2) or (3), but may be made before or after that date; and
- (b) must set out in detail the grounds on which the applicant
- 15        asks for an extension of time.
- (6) If objection is taken to a decision about self-assessment of tax, the date of the decision is taken to be the date by which the first return affected by the decision is to be lodged by the taxpayer after the taxpayer receives notice of the decision.

20 **37. Consideration of objections**

- (1) The Commissioner must consider and determine an objection, having regard to —
- (a) the grounds set out in the objection and any other relevant written material submitted by the taxpayer; and
- 25        (b) any other information obtained by the Commissioner that is relevant to considering the objection, whether the information was obtained before or after the objection was lodged.
- (2) The onus of establishing that an assessment or decision to which
- 30        an objection relates is invalid or incorrect lies on the taxpayer.

- (3) If the objection relates to an assessment that was made under section 19(1) on the basis of suspected liability —
- (a) it is not necessary for the taxpayer to establish that there were no reasonable grounds for the suspicion; and
  - 5 (b) the objection is to be allowed if the taxpayer establishes, on the balance of probabilities, that the taxpayer is not liable to the tax (or penalty tax) assessed.
- (4) On determining an objection, the Commissioner must serve on the taxpayer a notice setting out —
- 10 (a) the decision on the objection; and
  - (b) if the objection is disallowed in whole or part — the reasons for the decision.

**38. Time limit for determining objections**

- (1) The Commissioner must determine an objection within the decision period calculated under subsection (2).
- 15 (2) The decision period is the initial period of 90 days beginning on the day the objection is lodged with the Commissioner, plus the number of days equal to the number of days the Commissioner needs (whether the needed days fall during or after the initial 90-day period) —
- 20 (a) to obtain from the taxpayer information that the Commissioner reasonably requires to determine the objection;
  - (b) to consider any information provided by the taxpayer after the objection was lodged; or
  - 25 (c) to obtain any advice and assistance from an external agency that the Commissioner reasonably requires to determine the objection.
- (3) The Commissioner must notify the taxpayer, before the end of the initial 90-day period, of any periods by which the decision period has been extended up to the time of notification and, if

further delays extending the decision period occur after the initial notification, must keep the taxpayer reasonably informed about the extent and the reasons for the further delays.

- 5             (4) If the Commissioner fails to determine an objection within the decision period, the taxpayer may, by written notice to the Commissioner, require the Commissioner to refer the objection to the Supreme Court.
- 10            (5) On receiving a request under subsection (4), the Commissioner must refer the objection to the Supreme Court by way of appeal as soon as practicable.
- (6) The Supreme Court may —
  - (a) decide the questions raised by the referred objection;
  - (b) make any consequential orders that may be necessary or appropriate in the circumstances of the case; and
  - 15            (c) make orders for costs and other incidental matters.
- (7) Non-compliance with subsection (1) does not invalidate a determination on an objection.

**39.        Reassessment on determination of objection**

- 20            (1) If an objection is allowed wholly or in part, the Commissioner must make a reassessment accordingly.
- (2) If, as a result of the reassessment, an amount is to be refunded or credited to the taxpayer, interest at the prescribed rate is payable on the amount from the date of payment to the date of the determination of the objection.

25    **Division 3 — Appeals and stated cases**

**40.        Right of appeal**

- (1) A person dissatisfied with the Commissioner's decision on an objection or on an application for an extension of time for lodging an objection may appeal against the decision.

- 5 (2) However, a taxpayer is not entitled to appeal against the Commissioner's decision on an objection on a ground that was not raised in the objection, unless the court or tribunal to which the appeal lies is satisfied that the taxpayer should be allowed to introduce other grounds of appeal in the interests of justice and gives the taxpayer leave to do so.

**41. Court or tribunal to which an appeal lies**

- 10 (1) An appeal under section 40(1) against a decision relating to an assessment or decision under the *Land Tax Assessment Act 2001* may be made to the Land Valuation Tribunal, and the Tribunal has jurisdiction to hear and determine the appeal.
- (2) The Supreme Court has jurisdiction to hear and determine any other appeal under section 40(1).

**42. Time for appeal**

- 15 (1) An appeal must be commenced within 60 days after notice of the decision to which it relates is served on the taxpayer.
- (2) However, the court or tribunal to which the appeal lies may, on application by the taxpayer, extend the time for commencing an appeal.
- 20 (3) An application for an extension of time must be made within 12 months after the notice of the decision to which the proposed appeal relates is served on the taxpayer (but subject to that limitation may be made either before or after the end of the initial period of 60 days).

25 **43. Appeal hearings**

- (1) On hearing an appeal against a decision, the appellate court or tribunal may do any or all of the following —
- 30 (a) in the case of a decision on an objection to an assessment — confirm the assessment, or direct the Commissioner to make a reassessment in accordance with any directions given by the court or tribunal;

**Taxation Administration Bill 2001**

**Part 4**                    Objections and appeals

- (b) in the case of any other decision — confirm, vary or revoke the decision;
  - (c) if the court or tribunal varies or revokes a decision — substitute for the decision any other decision that the Commissioner could have made in the circumstances;
  - (d) make consequential and ancillary orders (including orders for costs).
- (2) The onus of establishing that an assessment or decision to which the appeal relates is invalid or incorrect lies on the taxpayer.
- (3) If the final reassessment of the taxpayer's liability indicates that tax has been overpaid —
- (a) the taxpayer is entitled to a refund or credit of the overpaid amount; and
  - (b) interest on the overpaid amount, calculated at the prescribed rate from the date on which the tax was paid to the date on which the overpaid amount is refunded or credited to the taxpayer, is payable to the taxpayer.
- (4) For the purposes of subsection (3) —
- (a) the final reassessment of a taxpayer's liability is the last assessment to have been made at the direction of a court or tribunal at the time that the case is discontinued or otherwise finally determined; and
  - (b) a refund or credit of an overpaid amount, and any payment of interest payable on the overpaid amount need not be made until rights of appeal against the decision (including any right that may exist to seek special leave to appeal to the High Court) have been exhausted or have expired, and no further reassessment can be made.

**30 44. Cases stated by Commissioner**

- (1) The Commissioner may state a case on a question of law arising under a taxation Act and forward the case to the Supreme Court.

- (2) The Supreme Court —
  - (a) is to decide the question of law; and
  - (b) may make orders for costs and other incidental matters.

## **Part 5 — Payment and refund of tax**

### **Division 1 — Payment**

#### **45. When tax is due for payment**

- 5 (1) Subject to this section, tax is due for payment on the date fixed by or worked out in accordance with the relevant taxation Act.
- (2) If the relevant taxation Act does not make provision for the date of payment, the tax is due for payment on the date specified in the assessment notice.
- 10 (3) If the tax is payable as a result of a reassessment, the tax is due for payment on the date specified in the assessment notice.

#### **46. Allocation of payment**

When the Commissioner receives a payment from a taxpayer, the payment is to be allocated as follows —

- 15 (a) if it is clear from the circumstances in which the payment is made how the payment is to be allocated — the payment is to be allocated accordingly; and
- (b) in any other case — the payment is to be allocated to the taxpayer's tax liabilities as decided by the Commissioner.

#### **20 47. Arrangements for instalments and extensions of time**

- (1) The Commissioner may approve an arrangement (with or without amendment) —
- 25 (a) extending the time for paying tax; or
- (b) providing for the payment of tax in specified instalments.
- (2) An application for approval of a proposed tax payment arrangement must set out the reasons that the taxpayer wants more time to pay the tax.

- (3) A tax payment arrangement may include —
- (a) conditions agreed with the taxpayer providing for the payment (and allowing for the remission) of interest at the prescribed rate or at some other rate fixed by or under the arrangement with the agreement of the taxpayer; and
  - (b) any other conditions the Commissioner considers appropriate.
- (4) The Commissioner may, by notice to the taxpayer, amend a tax payment arrangement —
- (a) by agreement with the taxpayer; or
  - (b) as provided in the conditions of the arrangement.
- (5) The Commissioner may, by notice to the taxpayer, cancel a tax payment arrangement if —
- (a) a payment is not made in accordance with the arrangement; or
  - (b) the taxpayer does not comply with any other condition of the arrangement.
- (6) On cancellation of a tax payment arrangement, the whole of the tax outstanding under the arrangement (together with interest) becomes due and payable as from the date of cancellation or the original due date for payment of the tax to which the arrangement relates (whichever is the later).
- (7) Despite cancellation of a tax payment arrangement, interest continues to accrue at the prescribed rate (or the other rate fixed by or under the arrangement) until the outstanding tax to which the arrangement formerly applied is paid.
- (8) A decision of the Commissioner under this section in connection with extending time for payment of tax or approving payment of tax in instalments is non-reviewable.

**48. No action to compel approval of tax payment arrangement**

No action can be brought in a court to compel the Commissioner to approve a tax payment arrangement.

**Division 2 — Special tax return arrangements**

5 **49. Approval of special tax return arrangements**

(1) The Commissioner may make a special tax return arrangement with a taxpayer or another person in relation to a taxpayer's obligations under a taxation Act.

10 (2) Without limiting subsection (1), a special tax return arrangement may be made with —

(a) a particular taxpayer in relation to the taxpayer's obligations under a taxation Act;

15 (b) a particular taxpayer in relation to obligations the taxpayer has jointly with other taxpayers under a taxation Act; or

(c) an agent in relation to obligations of taxpayers for whom the agent is authorised to act.

(3) A special tax return arrangement is to be made —

(a) in writing; and

20 (b) on terms agreed between the Commissioner and the responsible party.

**50. Content of special tax return arrangement**

(1) A special tax return arrangement —

25 (a) may require the lodging of returns, and the self assessment and payment of tax, in accordance with the arrangement;

(b) may require compliance with any other obligations imposed under the conditions of the arrangement;

- (c) may exempt the taxpayer or taxpayers covered by the arrangement from compliance with specified administrative requirements of a taxation Act;
- (d) may provide for the stamping or endorsement of instruments with the amount of tax paid under the special arrangement, or to denote that tax is not payable in respect of the instrument; and
- (e) may require the responsible party to keep specified records.
- (2) If an instrument that the responsible party is required to include in a tax return would be of no effect until registered under an enactment, then it is a condition of the arrangement that the responsible party is to include the instrument in a return before the instrument is lodged for registration.
- (3) If a condition of a special tax return arrangement is contravened, the responsible party commits an offence.  
Penalty: \$20 000.
- (4) A special tax return arrangement does not transfer the taxpayer's tax liability from the taxpayer to the responsible party.
- 51. Instruments stamped or endorsed under a special tax return arrangement**
- (1) An instrument stamped or endorsed in accordance with a special tax return arrangement is taken to have been stamped.
- (2) A person who stamps or endorses an instrument so as to suggest or imply that the instrument has been properly stamped or endorsed under a special tax return arrangement commits an offence unless the instrument is properly stamped or endorsed in accordance with the conditions of the special arrangement.  
Penalty: \$20 000.

**52. Lodging returns under special tax return arrangement**

- (1) A return lodged under a special tax return arrangement must —
- (a) be in a form approved by the Commissioner;
  - (b) contain the information required by the form; and
  - (c) contain any other information required by the Commissioner that is relevant to assessing the tax payable for the matters covered by the return.
- (2) A return must be lodged within 15 days after the end of the return period, unless the special tax return arrangement or a later agreement between the Commissioner and the responsible party provides otherwise.
- (3) The return period for a special tax return arrangement is a month, unless the arrangement or a later agreement between the Commissioner and the responsible party provides otherwise.
- (4) A responsible party who is required to lodge a return under a special tax return arrangement must lodge the return in accordance with this section and with the arrangement.
- Penalty: \$5 000.

**53. Amendment or cancellation of arrangement**

- (1) The Commissioner may, by agreement with the responsible party, amend the conditions of a special tax return arrangement.
- (2) The Commissioner may, by notice served on the responsible party, cancel a special tax return arrangement.

**Division 3 — Refunds of tax**

**54. Power to make refund**

- (1) The Commissioner must refund tax to a taxpayer if —
- (a) as a result of a reassessment, it appears that an overpayment of tax has been made;

- (b) the Commissioner is satisfied on an application for a refund under this section that an overpayment of tax has been made; or
- 5 (c) in the circumstances of a particular case, the Commissioner is required by a taxation Act to make a refund of tax.
- (2) However, instead of repaying the amount to be refunded, the Commissioner may credit the amount of the refund against the taxpayer's existing and future tax liabilities (but the Commissioner must not credit an amount of \$50 or more against future liabilities if the taxpayer requests repayment).
- 10 (3) An application for a refund may only be made —
- (a) on a ground on which refunds are authorised or required by a taxation Act; or
- 15 (b) on the ground that the amount paid by the taxpayer exceeds the amount of tax payable in accordance with the relevant assessment.
- (4) An application for a refund under this section must be made —
- (a) within a period fixed by a taxation Act for making the application; or
- 20 (b) if no period is fixed by a taxation Act — within 5 years of the date when the overpayment was made.

**55. Refund to be passed on in certain cases**

- (1) This section applies to payment of any of the following taxes —
- 25 (a) pay-roll tax;
- (b) duty payable under Part IIIIF or Part IVB of the *Stamp Act 1921*;
- (c) debits tax.

**Taxation Administration Bill 2001**

**Part 5** Payment and refund of tax

**Division 3** Refunds of tax

**s. 55**

---

(2) If —

(a) the tax payable by the taxpayer is paid out of money provided by a third party, or a third party reimburses the taxpayer for payment of tax; and

5 (b) the tax is, in whole or part, refunded or credited to the taxpayer (whether under this Division or not),

then the taxpayer is to reimburse the third party in accordance with subsection (3) or (4), as the case requires.

10 (3) If the third party provided all the money with which the tax payment was made, or fully reimbursed the taxpayer for the payment, the taxpayer must reimburse the third party with an amount equal to the amount of the refund or credit.

15 (4) If the third party contributed part only of the tax payment, or partially reimbursed the taxpayer for the payment, the taxpayer must reimburse the third party with an amount that bears the same proportion to the amount of the refund or credit as the amount of the refund or credit amount bears to the amount of the payment.

(5) The taxpayer must —

20 (a) make the reimbursement to the third party within 90 days after the refund was paid or credited to the taxpayer or within any longer period allowed by the Commissioner; or

25 (b) if the reimbursement is not made within that period — repay the amount of the refund to the Commissioner or ask the Commissioner to cancel the credit in the taxpayer's favour within 7 days from the end of that period.

Penalty: \$20 000.

30 (6) The Commissioner may recover any amount that should have been, but was not, repaid under subsection (5)(b) as if it were unpaid tax.

- (7) No action can be brought in a court to compel the Commissioner to take or refrain from taking proceedings for recovery of the amount refunded or credited to the taxpayer.

**Division 4 — Power to waive or write off liability**

5    **56. Waiver of tax**

- (1) The Commissioner may waive the payment of tax or another amount payable under a taxation Act (for example, interest or legal costs), up to a prescribed limit.
- (2) If the Commissioner waives the payment of tax or some other amount payable under a taxation Act, the liability to make the payment is extinguished.
- 10    (3) A decision by the Commissioner to waive tax, or not to waive tax, is non-reviewable.

**57. Writing off tax liability**

- 15    (1) The Commissioner may write off a tax liability, or a liability to pay another amount under a taxation Act, if satisfied that action or further action to recover the tax or other amount is impracticable or unwarranted.
- (2) Writing off a liability does not —
- 20        (a) extinguish the liability; or
- (b) preclude the Commissioner from taking later action to recover the amount of the liability.
- (3) A decision by the Commissioner to write off a liability, or not to write off a liability, is non-reviewable.

25    **58. Powers subject to *Financial Administration and Audit Act 1985***

This Division is to be read subject to the *Financial Administration and Audit Act 1985*.

***Taxation Administration Bill 2001***

**Part 5**                    Payment and refund of tax

**Division 4**            Power to waive or write off liability

**s. 59**

---

**59.        No action to compel waiver or writing off**

No action can be brought in a court to compel the Commissioner to waive payment of tax or to write off a tax liability.

## **Part 6 — Recovery of tax**

### **Division 1 — Recovery generally**

**60. Recovery of unpaid tax**

- (1) Unpaid tax is a debt due to the State.
- 5 (2) The Commissioner may recover unpaid tax on behalf of the State by action in any court of competent jurisdiction.

**61. Power of court to order payment of tax**

10 When a court convicts a person of an offence against a taxation Act, the court may (in addition to any penalty imposed for the offence) order the convicted person to pay tax outstanding at the time of the conviction.

**62. Recovery of costs and interest**

In this Part, a reference to tax is to be read as including —

- 15 (a) legal costs incurred by the Commissioner in relation to proceedings for the recovery of the tax;
- (b) costs incurred for lodging a memorial under section 70 or 73;
- (c) interest payable under a tax payment arrangement; and
- (d) prescribed costs.

20 **63. Recovery of tax in cases of joint liability**

- (1) If 2 or more persons are jointly liable for tax, the whole of the tax may be recovered from any one or more of them.
- (2) This section does not affect the right of a taxpayer who pays tax to recover contributions from a person jointly liable for the tax.

**64. Notice of administrator's appointment**

- 5 (1) A person who is appointed as statutory administrator of a taxpayer's assets must, within 14 days of appointment, or within any longer time allowed by the Commissioner, serve on the Commissioner written notice of the appointment.  
Penalty: \$5 000.
- (2) However, in prescribed circumstances a statutory administrator does not have to serve notice of the appointment.
- 10 (3) For the purposes of this section, a person is a **“statutory administrator of a taxpayer's assets”** if the person is —
- (a) a liquidator of a corporate taxpayer;
  - (b) a receiver or receiver and manager of the whole or a part of a taxpayer's property;
  - (c) a taxpayer's trustee in bankruptcy; or
  - 15 (d) a person who holds a prescribed position or prescribed powers in relation to a taxpayer or a taxpayer's affairs.

**65. Power to garnishee**

- 20 (1) The Commissioner may serve a garnishee notice on a person (the **“garnishee”**) if the Commissioner believes on reasonable grounds that the garnishee —
- (a) holds or may receive money for or on account of a taxpayer;
  - (b) is liable or may become liable to pay money to a taxpayer; or
  - 25 (c) has authority to pay money to a taxpayer.
- (2) A garnishee notice is a notice —
- 30 (a) requiring the garnishee to pay money in the garnishee's possession or control to which the taxpayer is or becomes entitled to the Commissioner up to the amount of a liability for tax stated in the notice; and

- (b) fixing a time for payment (which cannot be before the time the taxpayer becomes entitled to the money).
- 5       (3) The Commissioner may serve a garnishee notice even though the taxpayer's entitlement to the money may be subject to unfulfilled conditions.
- (4) The Commissioner must serve a copy of the garnishee notice on the taxpayer.
- 10       (5) If the liability to which a garnishee notice relates is discharged wholly or partly before the time for payment under the notice and the discharge or partial discharge affects the amount to be recovered from the garnishee, the Commissioner must, by notice served on the garnishee and the taxpayer —

  - (a) inform them of that fact; and
  - 15       (b) state whether and, if so, how the garnishee's obligation under the garnishee notice is affected by the discharge or partial discharge of the liability.
- (6) A garnishee who does not comply with a garnishee notice commits an offence.  
      Penalty: \$20 000.
- 20       (7) A garnishee who is under an obligation to pay money to the taxpayer is taken to have satisfied that obligation to the extent of the payment made under the garnishee notice.

**66. Recovery from partnerships and other associations**

25       If a tax liability is incurred by or on behalf of a partnership, the tax is recoverable jointly and severally from any one or more of the partners.

**67. Recovery from directors of body corporate**

- 30       (1) If the Commissioner issues an assessment notice to a body corporate and the amount assessed is not paid by the due date, the Commissioner may serve a notice on the directors of the

body corporate informing them that they will become jointly and severally liable with the body corporate for the payment of the tax unless before the expiration of 28 days from the date of the notice the body corporate remedies its default.

- 5 (2) The Commissioner must serve a notice under subsection (1) by arranging for a copy of the notice to be given to each director personally.
- (3) However, if, after exercising due diligence, it appears to the  
10 Commissioner that it is not practicable to give a copy of the notice personally to a director — the copy of the notice may be sent, by prepaid post requiring proof of delivery, to the director at his or her last known personal or business address.
- (4) For the purpose of this section, a body corporate is taken to  
15 remedy a default if —
- (a) the liability is paid;
  - (b) the Commissioner by notice to the body corporate offers the body corporate an opportunity to enter into a tax payment arrangement, and the body corporate enters  
20 into the tax payment arrangement on conditions satisfactory to the Commissioner;
  - (c) the body corporate enters into voluntary administration under Part 5.3A of the *Corporations Act 2001* of the Commonwealth; or
  - (d) the body corporate goes into liquidation.
- 25 (5) If the body corporate fails to remedy its default within the time specified in the notice to a director under this section, the directors become jointly and severally liable, with the body corporate, for the payment of the tax liability assessed against the body corporate.
- 30 (6) If a body corporate remedies its default by entering into a tax payment arrangement but later contravenes a condition of the arrangement, the body corporate's default is taken to revive and

the Commissioner may serve another notice on the directors under this section.

(7) In proceedings for recovery of tax from a director under this section, it is a defence for the director to establish that —

5 (a) the director took all reasonable steps that were possible in the circumstances to get the body corporate to remedy its default; or

10 (b) the director was unable because of illness or for some other proper reason to take steps to get the body corporate to remedy its default.

(8) If a director pays tax or tax is recovered from a director under this section, the director is entitled to be indemnified by the body corporate for the amount paid or recovered.

15 (9) This section does not apply in relation to a director of a body corporate to which the *Statutory Corporations (Liability of Directors) Act 1996* applies.

### **Division 2 — Charges on land**

#### **68. Charge on land to secure land tax**

20 (1) Unpaid land tax is a first charge on the land for which the land tax is payable —

(a) whether or not the land tax is due for payment; and

(b) whether or not a memorial of the charge has been registered under section 75.

25 (2) If the land tax is not paid by the due date, the Commissioner may lodge a memorial of the charge with the Registrar of Titles.

30 (3) If a cheque given in purported payment of land tax is dishonoured on first presentation (even though the due date may not have arrived when the cheque is dishonoured), the land tax is taken not to be paid by the due date for the purposes of subsection (2).

**Taxation Administration Bill 2001**

**Part 6** Recovery of tax

**Division 2** Charges on land

**s. 69**

---

- (4) A charge on land arising under subsection (1) takes priority over all other encumbrances on the land.
- (5) The taxpayer's liability to pay the land tax continues until it is paid, despite any disposition of the land.
- 5 (6) If there is a disposition of the land before the tax is paid, the new owner becomes liable to pay the tax.
- (7) If land tax is assessed in relation to land comprising a number of separate lots or parcels —
- (a) the charge attaches to each separate lot or parcel; and
- 10 (b) the amount secured by the charge on an individual lot or parcel is the amount that bears to the total amount of the unpaid tax the same proportion that the unimproved value of the lot or parcel bears to the total unimproved value of the land.
- 15 (8) However, this section does not apply in relation to land owned by, or vested in the State, or any agency or instrumentality of the State, or a local government or any other public statutory authority.

**69. Charge on land to secure stamp duty**

- 20 (1) If stamp duty payable under item 4, 10, 14A, 15, 17 or 19 of the Second Schedule to the *Stamp Act 1921* on an instrument in relation to land as defined in section 76 of that Act is not paid by the due date, the Commissioner may lodge a memorial with
- 25 the Registrar of Titles to create a charge on the land for the unpaid stamp duty.
- (2) If stamp duty payable under Part IIIA of the *Stamp Act 1921* in relation to land as defined in section 76 of that Act is not paid by the due date, the Commissioner may lodge a memorial with
- 30 the Registrar of Titles to create a charge for the unpaid stamp duty —
- (a) on the land in relation to which the duty is payable; and

- (b) on land owned by a person who is related to the taxpayer as mentioned in subsection (6).
- (3) However, if stamp duty is assessed under section 76AA of the *Stamp Act 1921* in relation to land as defined in section 76 of that Act, then, at any time after the assessment is made, the Commissioner may lodge a memorial with the Registrar of Titles to create a charge for the unpaid stamp duty —
- 5
- (a) on the land in relation to which the duty is payable; and
- (b) on land owned by a person who is related to the taxpayer as mentioned in subsection (6).
- 10
- (4) The charge arises on the land referred to in subsection (1), (2) or (3) when the memorial is registered under section 75.
- (5) If a cheque given in purported payment of stamp duty is dishonoured on first presentation (even though the due date may not have arrived when the cheque is dishonoured), the stamp duty is taken not to be paid by the due date for the purposes of subsections (1) and (2).
- 15
- (6) A person is related to a taxpayer for the purposes of subsection (2) or (3) if —
- 20
- (a) both the person and the taxpayer are bodies corporate and one is a subsidiary of the other within the meaning of section 76AI(4) of the *Stamp Act 1921*; or
- (b) the person is a body corporate and a beneficiary under a trust, or a potential beneficiary under a discretionary trust, of which the taxpayer is a trustee.
- 25

**70. Prohibition on dealing with certain charged land**

- (1) A memorial lodged under section 68 or 69 may provide that, after it is registered, the Registrar of Titles is not to register any dealing with the land without the consent of the Commissioner unless the Commissioner has lodged a memorial releasing the land from the charge, and the memorial of the release has been registered.
- 30

- (2) The registration of a memorial that prohibits dealing with land does not —
- 5 (a) prevent a person from lodging with the Registrar of Titles an instrument relating to a dealing with the land; or
- (b) prevent the Registrar of Titles from accepting an instrument relating to a dealing with the land.
- (3) If a memorial of a charge prohibits dealing with land then, on the registration of a memorial releasing the land from the charge, an instrument lodged previously with the Registrar of Titles has effect as if the memorial of the charge had not been registered.
- 10

**71. Priority of charge**

- (1) When a memorial of a charge on land is registered under this Act, the charge is the first charge on the land and has priority over all other mortgages, charges and encumbrances over the land.
- 15
- (2) However, if there is another statutory charge on the same land that ranks as a first charge under another Act, the relative priority of the charges is to be determined according to the order of registration.
- 20

**72. Certificate of land tax secured by charge**

- (1) The Commissioner must, on application by the owner or a purchaser of land, issue a certificate —
- 25 (a) stating whether there is a charge on the land under section 68 or 69; and
- (b) if there is —
- (i) stating the amount of unpaid land tax or unpaid stamp duty secured by the charge;

(ii) in the case of land tax that is yet to be assessed — estimating the amount to be assessed.

(2) The certificate estops the Commissioner from —

- 5           (a) asserting the existence of a charge not disclosed in the certificate; or
- (b) asserting that a charge covered (at the date of the certificate) an amount exceeding the amount disclosed in the certificate.

10       (3) However, giving an estimate in the certificate of an amount of land tax does not estop the Commissioner from assessing a different amount of land tax if further relevant information becomes available.

(4) The prescribed fees are payable for the issue of the certificate.

15   **73. Release of land from charge**

(1) If a memorial of a charge on land is registered, then, on payment of the amount secured by the charge, the Commissioner must serve on the taxpayer an instrument releasing the land from the charge.

20       (2) However, if land tax is assessed in relation to land comprising a number of separate lots or parcels, the Commissioner is not obliged to release any lot or parcel from the charge unless the whole of the land tax is paid.

**74. Form of memorial**

25       (1) The Registrar of Titles may approve the form of memorials lodged under this Act.

(2) A memorial must be in a form approved by the Registrar of Titles.

**75. Registration of memorials and releases**

- (1) When a memorial is lodged under this Act, the Registrar of Titles must register it.
- (2) On the application of the owner of the land accompanied by an instrument of release issued under section 73(1), the Registrar of Titles must register the release of the land from the charge.

**76. Notification of mortgagees**

When a memorial in relation to land is registered, the Commissioner must notify all mortgagees who hold registered mortgages over the land of the registration of the memorial (but failure to do so does not invalidate the registration of the memorial).

**77. Orders for sale of land**

- (1) If tax on land or property remains unpaid for 18 months or more after the registration of the charge on the land or property, the Commissioner may apply to the Supreme Court for an order for the sale of the land (or part of the land) so that the proceeds of sale may be applied towards satisfaction of the outstanding tax liability.
- (2) A single application may be made under this section in relation to a number of separate lots or parcels in the same ownership.
- (3) At least 6 months before the Commissioner makes an application to the Supreme Court under this section, the Commissioner must —
- (a) have notice of the intended application published in 2 newspapers —
- (i) one circulating generally throughout Western Australia; and
- (ii) the other circulating generally throughout Australia;

- (b) if the whereabouts of the owner of the land is known to the Commissioner — serve notice of the intended application on the owner; and
- 5 (c) serve notice of the intended application on the holder of any registered encumbrance over the land whose address is known to the Commissioner.
- (4) On an application under this section, the Supreme Court may order the sale of the land and make incidental orders —
- 10 (a) about how the sale is to be conducted;
- (b) authorising an officer of the court to execute documents, and to do anything else necessary, for the sale and conveyance of the land;
- 15 (c) authorising the Registrar of Titles to register a transfer to a purchaser without requiring the duplicate (if any) of the certificate of title or of any other document;
- (d) directing (subject to subsection (5)) how the proceeds of sale are to be dealt with; and
- (e) dealing with costs of the proceedings and other incidental matters.
- 20 (5) A sale by order of the Supreme Court is to discharge the land from any mortgage or other encumbrance securing a monetary obligation, but the land remains subject to any lease, easement or other encumbrance.
- (6) The proceeds of the sale are to be applied as follows —
- 25 (a) firstly, in payment of the costs of the sale;
- (b) secondly, in payment of costs of proceedings so far as those costs are, by order of the court, to be paid out of the proceeds of sale;
- 30 (c) thirdly, in discharge of the outstanding tax liability secured by the charge;

**Division 2** Charges on land

**s. 78**

---

- 5
- (d) fourthly, in discharge of any outstanding monetary liability secured by a mortgage or other encumbrance securing a monetary obligation; and
  - (e) lastly, any remaining balance is to be applied as directed by the court.

**78. Means of enforcement not limited to charge**

10 The existence or registration of a charge under this Division does not affect the Commissioner's discretion to proceed for recovery of the outstanding tax in proceedings unrelated to the charge.
