management of the Railway and its use (including in respect
of allocation and management of the use of train paths on the
Railway and management of train control and operating
standards for the Railway) to the extent necessary to comply

       (other than a provision in Schedule 4 of the Access
       Code), or inconsistent with any statement, document,
determination or other requirement issued, made,
approved or determined under either or both of the
Access Act and the Access Code as at the Access
Date, the relevant provision of the Access Act or the
Access Code or the statement, document,
determination or other requirement (as the case may be) shall prevail over the provision of the agreement to the extent of that inconsistency;

(c) does not impose on the Company obligations, or create in favour of any other person any interest, in relation to use of the Railway (including in relation to allocation of train paths on the Railway and management of train control for the Railway) which may in effect preclude other entities from access to the Railway in accordance with the Access Act and the Access Code;

(d) would, if that agreement were an "access agreement" within the meaning of the Access Code, comply with sections 17(1)(a), 17(1)(c) and 36(2)(c) of the Access Code; and

writing add to, substitute for, cancel or vary all or any of(152,156),(907,838)
provisions of this Agreement for the purpose of more efficiently or satisfactorily implementing or facilitating any of the objects of this Agreement.

(2) The Minister shall cause any agreement made pursuant to subclause (1) to be laid on the Table of each House of Parliament within 12 sitting days next following its execution.

(3) Either House may, within 12 sitting days of that House after the agreement has been laid before it, pass a resolution disallowing the agreement, but if after the last day on which the agreement might have been disallowed neither House has passed such a resolution the agreement shall have effect from and after that last day.

(4) The parties may at any time by mutual agreement determine this Agreement, provided that no matter in connection with a failure by the parties to agree under this subclause (4) shall be referable to arbitration hereunder.

27. Force majeure

This Agreement shall be deemed to be made subject to any delays in the performance of the obligations under this Agreement and to the temporary suspension of continuing obligations under this Agreement that may be caused by or arise from circumstances beyond the power and control of the party responsible for the performance of those obligations including (without limiting the generality of the foregoing) delays or any such temporary suspension as aforesaid caused by or arising from act of God, force majeure, earthquakes, floods, storms, tempest, washaways, fire (unless caused by the actual fault or privity of the party responsible for such performance), act of war, act of public enemies, riots, civil commotions, strikes, lockouts, stoppages, restraint of labour or other similar acts (whether partial or general), acts or omissions of the Commonwealth, shortages of labour or essential materials, reasonable failure to secure contractors, delays of contractors, factors due to overall world economic conditions or factors due to action taken by or on behalf of any government or governmental authority (other than the State or any agency, instrumentality or other authority of the State) or factors that could not reasonably have been foreseen PROVIDED ALWAYS that the party whose performance of obligations is affected by any of the said causes must promptly give notice to the other party or parties of the
event or events and shall use its best endeavours to minimise the effects of such causes as soon as possible after the occurrence.

28. **Power to extend periods**

(1) Notwithstanding any provision of this Agreement but subject to subclause (2), the Minister may at the request of the Company from time to time extend or further extend any period or vary or further vary any date referred to in this Agreement for such period or to such later date as the Minister thinks fit, whether or not the period to be extended has expired or the date to be varied has passed.

(2) The date specified in clause 11(1) for the submission of proposals under it may only be extended once pursuant to this clause and for a period not exceeding 18 months.

29. **Determination of Agreement**

(1) If:

(a) (i) the Company makes default which the State considers material in the due performance or observance of any of the covenants or obligations of the Company in this Agreement or in the Special Railway Licence or in a Lateral Access Road Licence; or

(ii) the Company abandons or repudiates this Agreement or abandons or repudiates its activities under this Agreement,

and such matter is not remedied within a period of 180 days after notice is given by the State as provided in subclause (2) or if the matter is referred to arbitration, then within the period mentioned in subclause (3); or

(b) the Company goes into liquidation (other than a voluntary liquidation for the purpose of reconstruction) and unless within 3 months from the date of such liquidation the interest of the Company is assigned to an assignee approved by the Minister under clause 25; or

(c) construction of the SRL Railway and Additional Infrastructure (if any) has not commenced within 2 years (or
such longer period as the Minister may allow) of the approval
of the proposals submitted pursuant to clause 11(1); or

(d) the Railway Operation Date does not occur within 4 years (or
such longer period as the Minister may allow) after the grant
of the Special Railway Licence and the State has then given
the Company notice that it may determine this Agreement if
that date does not occur within a period of 180 days after
such notice is given by the State and that date has not
occurred within the said period of 180 days; or

(e) iron ore products are not transported upon the Railway for a
continuous period of 3 years (or such longer period, not exceeding 5 years, as in any particular instance the Minister
may approve acting with the concurrence of the Port
Authorities Minister) and the State has given the Company
notice that it may determine this Agreement if such transport
does not resume within a period of 180 days after such notice
is given by the State and such transport has not resumed
within the said period of 180 days,

the State may by notice to the Company determine this Agreement.

(2) The notice to be given by the State to the Company in terms of
subclause (1)(a) must specify the nature of the default or other ground
so entitling the State to exercise such right of determination and,
where appropriate and known to the State, the party or parties
responsible therefor and shall be given to the Company and all such
assignees, mortgagees, chargees and disponees for the time being of
the Company's said rights to or in favour of whom or by whom an

terms of clause 25, whose name and address for service of notice has
previously been notified to the State by the Company or, any such
assignee, mortgagee, chargee or disponee.

subclause (2) refer the matter in dispute to arbitration.

(b) If the question is decided against the Company, the Company
must comply with the arbitration award within a reasonable
time to be fixed by that award PROVIDED THAT if the
arbitrator finds that there was a bona fide dispute and that the Company was not dilatory in pursuing the arbitration, the time for compliance with the arbitration award shall not be less than 90 days from the date of such award.

(4) If the default referred to in subclause (1)(a) has not been remedied within a period of 180 days after receipt of the notice referred to in that subclause or within the time fixed by the arbitration award as aforesaid, the State, instead of determining this Agreement as aforesaid because of such default may itself remedy such default or cause the same to be Remedied (for which purpose the State by agents, workmen or otherwise shall have full power to enter upon lands occupied by the Company and to make use of all plant, machinery, equipment and installations thereon) and the actual costs and expenses incurred by the State in remedying or causing to be remedied such default shall be a debt payable by the Company to the State on demand.

(5) The State hereby waives its rights to seek by court action for specific performance to compel the Company to submit proposals or resubmit proposals under clause 11 in the event that before approval of proposals under clause 12, the Company repudiates this Agreement.

30. **Effect of cessation or determination of Agreement**

(1) On the cessation or determination of this Agreement:

(b) the Company shall forthwith pay to the State all money which may then have become payable or accrued due; and
(c) save as aforesaid and as otherwise provided in this Agreement none of the parties shall have any claim against the other of them with respect to any matter or thing in or arising out of this Agreement.

(2) Upon the cessation or determination of this Agreement;

(a) the Minister may by notice to the Company require the Company to, at the Company's cost, remove the SRL Railway, Additional Infrastructure (if any) and any other works constructed under this Agreement from the Railway Corridor and return the land in the Railway Corridor to a condition as near as possible to the condition that land was in prior to the grant of authority under the LAA in respect of the land as contemplated by clause 4; and

(b) unless the Minister gives notice under subclause (2)(a), the SRL Railway, Additional Infrastructure (if any) and the works constructed under this Agreement shall become and remain the absolute property of the State without the payment of any compensation or consideration to the Company or any other party and freed and discharged from all mortgages and other encumbrances and the Company shall do and execute all such deeds, documents and other acts, matters and things (including surrenders) as the State may reasonably require to give effect to the provisions of this subclause.

31. Indemnity

The Company shall indemnify and keep indemnified the State and its servants, agents and contractors in respect of all actions, suits, claims, demands or costs of third parties arising out of or in connection with any work carried out by or on behalf of the Company pursuant to this Agreement or relating to its activities hereunder or arising out of or in connection with the construction, maintenance or use by the Company or its servants, agents, contractors or assignees of the Company’s works or services the subject of this Agreement or the plant apparatus or equipment installed in connection therewith PROVIDED THAT subject to the provisions of any relevant Act, such indemnity will not apply in circumstances where the State, its servants, agents, or contractors are negligent in carrying out work for the Company pursuant to this Agreement.
32. **Subcontracting**

Without affecting the liabilities of the parties under this Agreement each of the State and the Company will have the right from time to time to entrust to third parties the carrying out as their agent of any portions of the activities which it is authorised or obliged to carry out hereunder.

33. **Arbitration**

(1) Except as provided in this Agreement, any dispute or difference between the State and the Company arising out of or in connection with this Agreement, the construction of this Agreement or as to the rights, duties or liabilities of either of them under this Agreement or as to any matter to be agreed upon between them under this Agreement must, in default of agreement between them and in the absence of any provision in this Agreement to the contrary, be referred to and settled by arbitration under the provisions of the *Commercial Arbitration Act 2012* (WA) and each party may be represented before the arbitrator by a duly qualified legal practitioner or other representative.

(2) Except where otherwise provided in this Agreement, the provisions of this clause will not apply to any case where the State, the Minister or any other Minister in the Government of the State is by this Agreement given either expressly or impliedly a discretionary power.

(3) The arbitrator of any submission to arbitration under this Agreement is hereby empowered upon the application of either the State or the Company, to grant in the name of the Minister any interim extension of any period or variation of any date referred to herein which having regard to the circumstances may reasonably be required in order to preserve the rights of that party or of the parties to the arbitration and an award may in the name of the Minister grant any further extension or variation for that purpose.

34. **Consultation**

The Company must during the currency of this Agreement consult with and keep the State fully informed on a confidential basis concerning any action that the Company proposes to take with any third party (including the Commonwealth or any Commonwealth constituted agency, authority, instrumentality or other body) which
might significantly affect the overall interest of the State under this
Agreement.

35. **Notices**

Any notice, consent or other writing authorised or required by this
Agreement to be given or sent by the State to the Company or to a
Guarantor will be deemed to have been duly given or sent if signed by

forwarded by prepaid post or handed to the Minister and except in the
case of personal service any such notice, consent or writing shall be
deemed to have been duly given or sent on the day on which it would
be delivered in the ordinary course of post.

36. **Guarantee of the Company's performance**

(1) Notwithstanding any addition to or deletion or variation of the
provisions of this Agreement or any time or other indulgence granted
by the State or by the Minister to the Company whether or not notice
thereof is given to a Guarantor by the State, the Guarantors hereby
guarantee to the State the due performance by the Company of all of
the Company's obligations to be performed hereunder and, subject to
subclause (2), this guarantee shall continue notwithstanding the
cessation or determination of this Agreement.

(2) The Minister may agree to release a Guarantor or the Guarantors (as
the case may be) from this guarantee where:

(a) the Minister is reasonably satisfied that the Company has the
financial capacity to perform its obligations under this
Agreement; or

(b) one or more companies (including if applicable a continuing
Guarantor) with the financial capacity to guarantee the due
performance by the Company of all the Company's then
outstanding obligations under this Agreement have assumed
the obligations of the released Guarantor or Guarantors (as
the case may be) under this clause on terms acceptable to the
Minister.

37. **Term of Agreement**

(1) Subject to the provisions of clauses 12(5), 12(6), 29 and 30, this
Agreement shall expire on the expiration or sooner determination or
surrender of the Special Railway Licence.

(2) Unless this Agreement has already determined, at any time within
5 years prior to the expiry date of the Special Railway Licence the
State shall, at the request of the Company, confer with the Company

being in force in the State of Western Australia and the parties to this
Agreement submit to the jurisdiction of the courts of Western
Australia in relation to any action or proceeding to settle any dispute
or question arising out of or in connection with this Agreement.
