Good afternoon

Please find attached a transcript with a suggested edit on page 6.

Please see below responses to questions on notice:

Page 7: State Administrative Tribunal

- There is no provision to apply to the State Administrative Tribunal for review of a decision under regulation 235 Road Traffic (Vehicles) Regulations 2014.
- The Department of Transport is not aware of any attempts to seek review of a regulation 235 refusal at the State Administrative Tribunal.

Page 9: numbers of currently registered vehicles with modifications in Western Australia.

	Number of licensed vehicles recorded with modifications	Total number of licensed vehicles
Light vehicles	18,597	2,735,732
Heavy vehicles	186	131,920
Total	18,783	2,867,652

NOTE: Figures for February 2019. This has been calculated using financial records from DoT systems and shows the numbers of vehicles for which payment of a modification permit is recorded.
