Dear Mr Graham

CORRECTION TO TRANSCRIPT OF EVIDENCE

I have reviewed the transcript of evidence for WA Health's appearance before the Standing Committee on Estimates and Financial Operations on 17 November 2020. I would like to correct the factual record as follows:

1. In the discussion with Hon Tjorn Sibma on page 21, line 19, a written statement incorporating my health advice was agreed and finalised at 4:06pm on 15 November 2020. This was an attachment to an e-mail.
2. In the discussion with Hon Aaron Stonehouse on page 30, line 37, there was a meeting with the Premier, Deputy Premier, Police Commissioner, Director General Health, DPC and Ministerial staff on the morning of 16 October 2020, where I discussed issuing a clarifying statement, the benefits of such a statement and what it should cover. I was not directed to provide such a statement by the Premier or DPC staff.

I have made some minor track changes to the attached transcript.

Yours sincerely

Dr Andrew Robertson CSC, PSM
CHIEF HEALTH OFFICER
