Dear Ms Farina

**Standing Committee on Public Administration – Inquiry into WorkSafe**

I refer to my letter dated 14 November 2017 in relation to the six questions following WorkSafe's earlier response to the questions on notice from the public hearing on 2 October 2017.

In this letter I have requested an additional week to answer question 2 to allow me to receive specific advice from the State Solicitor's Officer and confer with the Minister.

I am currently waiting for directions from the Minister. I would be grateful if the Standing Committee on Public Administration allows me additional time until 29 November 2017 to answer this question.

I reassure you that I will do everything to provide you with the requested information.

Should you have any questions, please do not hesitate to contact me

Yours sincerely

Lex McCulloch

**WorkSafe Commissioner**
