Attn: Ms Samantha Parsons (Committee Clerk)

Dear Ms Watson

RE: Hearing in relation to a matter arising from the Budget Estimates Hearings, June 2010-11

I refer to my evidence to the Committee on Monday 26 March 2012 in relation to the abovementioned matter.

Please note that there is a factual error at p6 of the transcript where it was stated that 'the editing has been done by State Solicitor's Office'. This should read, 'the editing has been done on advice from the State Solicitor's Office'.

Yours sincerely
