Supplementary Information No.B4: Hon Peter Katsambanis asked –

When will the risk analysis to determine the viability of establishing a new emergency service unit in the Joondalup/Wanneroo area going to be completed?...

...Is the equipment schedule on the agenda of the next Volunteer Advisory Committee (VAC) meeting?

Answer:

An analysis of the risk profile of the area currently serviced by the Wanneroo/Joondalup SES Unit will be done as part of a state wide review of natural hazard risks and SES Unit resourcing. The review is scheduled to be completed by the end of the second quarter of 2015.

The draft SES equipment schedule will be ready for the next SESVAC meeting scheduled for 6 December 2014.

Supplementary Information No.B5: Hon R Mazza asked -

I refer to page 109 of the Annual Report. What was the nature of the \$41,864.24 written off as bad debts?

Answer:

In preparing this response, it was noted that a printing error has been identified in the 2013/14 Annual Report on page 109. Write-offs for the year totalled \$41,801.24. An incorrect amount of \$41,864.24 was disclosed in the narrative.

\$41,801.24 was written off as bad debts during the 2013/14. This amount is comprised of the following:

- \$7,663.92 in overpaid salaries to employees who have subsequently left the Department.
- \$27,029.74 associated with various bankrupt debtors.
- \$7,107.58 in unpaid Emergency Service Levy charges (reasons include the owners being deceased, the land reverting back to the Crown, tenement relinquished and the rate-payer being bankrupt).

Supplementary Information No.B6: Hon Alanna Clohesy MLC asked -

The state emergency management committee report into the Stoneville, Parkerville and Mt Helena fire recommended that DFES recruit more senior executives into their ranks that had on-the-ground bushfire experience. How is that going?

Answer:

All senior executives who have risen through the ranks of a fire service have extensive bushfire experience. Of the 14 positions within the ranks of Chief Superintendent, Assistant Commissioner, Deputy Commissioner and Commissioner, 11 have significant bushfire experience.

Since January 2014, the Department of Fire and Emergency Services has recruited one Superintendent from the Rural Fire Service Queensland, and has on secondment a senior executive from the Western Australian Department of Parks and Wildlife, both of whom have extensive bushfire experience.

Supplementary Information No.B7: Hon Ken Travers asked -

In terms of over the next 10 years, how many new stations are we going to require in the Perth Metropolitan area, based on your growth modelling?...

... I might ask for the strategic asset management plan to be taken on notice.

Answer:

The Department of Fire and Emergency Services Strategic Asset Management Plan 2015/16 to 2024/25 identifies four new Career Fire and Rescue Service (CFRS) stations will be required in the Perth Metropolitan area in the next ten years. These are in addition to the new West of Perth CFRS station that has already secured funding and is also scheduled to be completed in the next ten years.

The DFES Strategic Asset Management Plan 2015/16 to 2024/25 forms part of the budgetary process and cannot be released.
