Department for Child Protection

Question Budget Paper No2 Page 699: Hon L Ravlich asked –

I refer to the \$56.22m Efficiency Dividend for the Department for Child protection over the forward estimates and ask;

Of the \$7.60m to be delivered in 2012-13 will the Minister provide a schedule of all saving measures in the following terms?

Answer:

The Efficiency Dividend is \$20.6 million over 4 years, not \$56.22 million as stated.

The Department for Child Protection is currently considering strategies to achieve the efficiency dividend outlined in the major spending changes, however no specific savings measures have been determined at this stage.
