The Standing Committee  
Inquiry into Cockburn Cement Munster

Dear Sir/Madam,

Having received the transcript of evidence uncorrected copy taken on the 4 April 2011, I have found that it appears that some of my evidence is muddled or unclear as to how my wording of this was provided by me. I would like to request the committee to make the following changes as written on the uncorrected transcript I have received. I wish to correct this by having highlighted on the transcript copy and numbering each change alongside each word to be deleted and have in the left hand column of the transcript copy the new word or correction to be inserted also numbered to correspond with the deletions. There are 17 corrections in all. I have also provided a list of the changes to words or paragraphs to be deleted and corresponding word to be inserted in place of it.

I trust this can be done.

Thank you.

Bruce Hall.
