Ms Telia Reilly,
Committee Clerk
Standing Committee on Environment and Public Affairs
Inquiry into Cockburn Cement Munster

Dear Ms Reilly,

Transcript of evidence

Enclosed are copies of the transcript of evidence given to the Committee at a public hearing held on Monday 4th April 2011.

1. Typographical or transcription errors of a very minor nature have been noted on the transcripts.

2.0 Incorrect factual information: Mr. Ron Jones now believes he may have given incorrect factual information as below:

The information to be corrected is Page 5, paragraph 5, line 9 of the transcript which now reads ... *"In fact, in relation to the Esperance incident it was ruled that that word should stop being used as a substitute"*

Mr. Ron Jones now believes he may have been mistaken and it may not have been the Esperance reference that he was thinking of, we have been unable to find supporting documentation for this, so therefore request the committee be notified of this error.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'S. Jones', written in a cursive style.

Mr. Ron Jones and Mr. Steve Hesse
