Committee Clerk  
Standing Committee on Estimates and Financial Operations  
Parliament House  
PERTH WA 6000

Dear Ms Malouf

Thank you for your letter dated 22 June 2011 with the accompanying transcript of evidence from my appearance to the Committee at the public hearing held on Thursday, 16 June 2011.

Having read the transcript thoroughly, I am concerned that I have given the Committee some incorrect factual information. I wish to correct this information herein.

In response to a question from Hon Adele Farina the reference to BER on page 32 of the transcript should have been to the Royalty for Regions funding source. The sources of funding for the Merredin and Hedland projects have been clarified in response to supplementary question A13.

Yours sincerely

JOHN FISCHER
