View [map](#) and [table](#) of registered and currently notified ILUAs (updated quarterly).

Use the advanced search function on this page to locate a record on the Register of Indigenous Land Use Agreements and inspect the register extract and any attachments to the extract. To view attachments to the register click the link contained in the relevant register extract.

To ascertain whether or not specific areas of land may be affected by an indigenous land use agreement, you may need to request a search against the register by the Tribunal's Geospatial Services. To request a search please fill out the [search request form](#) and mail, fax or email the completed form to the Tribunal.

### Please note

Recent upgrades to the Register of Indigenous Land Use Agreements have resulted in changes to the format of ILUA file numbers. These changes may affect the accuracy of your search. If you are conducting a search by file number please read [Changes to ILUA file number formats](#) for further information.
