**THE SECRETARY

PERTH WA 6000**

Dear Ms Galbraith

**EVIDENCE BY J.R FERGUSON 27/11/2002 ON BEHALF OF MISTPAL PTY LTD.
APPLICATION FOR SUBDIVISION LOT 56 COWALLA ROAD. SHIRE OF GINGIN**

Please find enclosed the corrected copy, it being one word on page 4 and a possible misinterpretation on page 7.

I took the word "clearing" in the prior question of Hon. Dee Margetts to be "application" as I had just given previous evidence regarding the in depth comments made by both the WAPC and the Shire of Gingin in their approach to the issue of subdivision, "which are contained at the back of the application".

Otherwise my answer to the Hon. Dee Margetts question is "No". For further clarification, added to continue on from my statement, They are definitely interested in it "for subdivision for conservation".

Yours sincerely
