M/s J. Paniperis
Committee Clerk
Select Committee into the Finance Broking Industry in Western Australia
Parliament House
PERTH WA 6000

Dear M/s Paniperis,

RE: TRANSCRIPT OF MY EVIDENCE

Please find enclosed the signed copy of my evidence.

You will note I have deleted two words on the bottom line of page 4.

I also wish to correct my response to the Chairman's final question on page 11.

That question came out of the blue and is as broad as it is deep.

My response should have been that "**I don't know**".

During my time on the Real Estate Board I have spoken to most of the Inspectors allocated to us. I have never known the names of all Mr Chesson's representatives and I certainly don't know the names of Mr Chesson's extensive portfolio of companies.

Would you please advise the Committee of my corrected answer to that particular question.

It would be appreciated if you would provide me with a corrected copy. As I will not know when Mr Wallace returns with his tape I would also appreciate a copy of the transcript of his second visit to the Committee.

Yours sincerely

BILL GODDARD
Director
