Inquiry into access to Australian Standards adopted in delegated legislation – Hearings

The Joint Standing Committee on Delegated Legislation will be holding a public hearing as part of its inquiry into access to Australian Standards adopted in delegated legislation.

The hearing will be held on Wednesday, 14 October 2015, with the following organisation:

Organisation	Time	Location
SAI Global Ltd.	9.00am	Legislative Council Committee Office Ground Floor 18-32 Parliament Place West Perth

This will be the third session of hearings into this matter, previous ones having been held on 14 and 21 August 2015. This inquiry arose out of the Committee's observation that delegated legislation (including rules, regulations and local government local laws) frequently adopt Australian Standards, but those Standards are not accessible free of charge to the public, or the Parliament, in the same way that primary and secondary legislation is publicly available.

The hearing will be open to the general public.

Other inquiries to Ms Lauren Mesiti, Committee Clerk on (08) 9222 7376.
