**REPORT OF THE STANDING COMMITTEE ON UNIFORM LEGISLATION AND STATUTES
REVIEW**

**IN RELATION TO THE CREDIT (COMMONWEALTH POWERS) (TRANSITIONAL AND
CONSEQUENTIAL PROVISIONS) BILL 2010**

REPORT

1 REFERENCE

- 1.1 The Credit (Commonwealth Powers) (Transitional and Consequential Provisions) Bill 2010 was introduced to the Legislative Council on 22 April 2010 by Hon Helen Morton MLC. Following its second reading speech the Bill stood automatically referred to the Uniform Legislation and Statutes Review Committee (**Committee**) to report by 25 May 2010.

2 REPORT

- 2.1 The Committee regrets to inform the Legislative Council that, with the recent increase in volume of 230A Bills referred to the Committee, it has been unable to report on the Bill within the time specified by the Legislative Council due to the finite resources available to the Committee.
- 2.2 Due to the complex nature of 230A Bills and the volume of supporting documents requiring review together with the short 30 day reporting time, and time taken to get responses from Government Agencies on the Bill, it is simply not possible for the Advisory Officer (Legal) assisting the Committee to manage the workload within the reporting deadlines when two or more complex Bills stand referred to the Committee.
- 2.3 While the Committee has the capacity to deal with this workload, its ability to do so is hindered by the finite resources of the Committee Office and its capacity to provide additional Advisory Officer (Legal) support to the Committee to undertake its work.
- 2.4 Uniform schemes and resulting legislation by their very nature have the capacity to erode or undermine the sovereignty of the Western Australian State Parliament. As elected representatives of the people of Western Australia to the State Parliament we have an obligation to protect the sovereignty of the Western Australian State Parliament. Legislation that impinges on the State's sovereignty should be passed by the Parliament only when, on balance, it is in the best interests of Western Australians to do so. The work of the Committee informs the Legislative Council to this end and

has enabled the Legislative Council to consider 230A Bills more expeditiously than would otherwise be the case due to the work completed by Committees.

2.5 In order for the Committee to meet its obligation to the Legislative Council and the people of Western Australia, the Committee respectfully asks the Government to:

1. provide funding for one additional Advisory Officer (Legal) FTE position to the Legislative Council Committee Office to assist the Committee; and
2. increase the reporting time for 230A Bills from 30 days to 60 days.

Recommendation 1: The Committee recommends that the Government provide funding for one additional Advisory Officer (Legal) FTE position to the Legislative Council Committee Office to assist the Committee

Recommendation 2: The Committee recommends that the Government increase the reporting time for 230A Bills from 30 days to 60 days
