David Driscoll  
Parliamentary Officer (Committees)  
Standing Committee on Delegated Legislation  
GPO Box A11  
PERTH WA 6837

Dear Mr Driscoll

**Inquiry into access to Australian Standards adopted in delegated legislation**

The City of Nedlands wishes to provide the following submission regarding the Standing Committee's enquiry.

1. The City of Nedlands supports free access to Australian Standards where they appear in delegated legislation;
2. Australian Standards should be available through the State Law Publisher website, and be linked to the relevant Acts and Regulations in which they appear;
3. The City requests that should Australian Standards become publicly available, that a complicated cost recovery system is avoided;
4. The City has no comment regarding whether amendments to legislation are required to improve public access to adopted Australian Standards.

Thank you in advance for considering our submission.

Kind regards
