Subject: Recreational shooting in WA

Dear Ms Mesiti,

I would like to make my views known to the Committee holding an inquiry into allowing recreational shooting in Western Australia.

As a WA resident, I am strongly opposed to recreational hunting of any animals, introduced or otherwise.

I also believe that WA public lands should be kept safe for all members of the community. Shooting endangers public safety, especially because of the difficulty in policing shooting practices and enforcing laws in often remote areas.

Most Western Australians enjoy the outdoors and nature, without ever wanting to shoot animals. Please don't put people and animals unnecessarily at risk for this unpopular plan.

Thank you for considering my submission.

Sincerely,

Liz Johnson
