Dear Ms Mesiti,

I'm an Australian resident with my gun license, so is my step-dad and my extended family and ALL of us are against this act!

Animals are not here to be murdered for the pure JOY of Humans!  
If that's the case, why isn't murdering a human legal?! We ARE ANIMALS after all!

Do you have a pet dog? or a Cat?  
How would you feel if someone shot it for enjoyment? Horrific. Absolutely horrific.

Animals are not making laws to legalize hunting and killing humans, why should we do the same for them?

Our national TREASURES will go extinct if this law is put into place. Please. Consider the animals, be the person your dog thinks you are and DON'T go through with this bill!

Sincerely,

Nicole Millar
