**Subject:** Submission: End of Life Choices Inquiry

Dear Members of the Joint Select Committee on End of Life Choices

Thank you for the opportunity to send a submission.

As I believe in the Bible as God's Holy Writ, I wish to express serious concern on the legalization of euthanasia because God prohibits murder and suicide.

Euthanasia is not necessary when there is good palliative care and pain management.

If euthanasia is legalised, the protection of the 6th Commandment is at stake and will produce a lot of fear in people; in patients as well as in doctors minds.

**WARNING!**

God will bring retribution on those who kill.

Genesis 6: 9

I recommend that the committee do everything in its power to prevent legalised euthanasia and instead support palliative care so that people do not feel the need to end their life.

Yours sincerely,  
Janet Byl
