Select Committee into the Operations of the RSPCA WA (Inc)

RSPCA Inquiry

To Whom It May Concern:

I am writing to voice my strong support for the RSPCA WA and for the concerns I have over an inquiry into the RSPCA.

The RSPCA provides an important, independent and balanced approach for animal welfare issues in this state. I do NOT believe that the RSPCA's capacity and reach should be reduced as this would diminish its important role. I am still unclear of why such an expense of tax payers money is necessary. The outcomes of such an inquiry would also be impartial with the chair of the inquiry as Rick Mazza (Shooters and Fishers MP! Mr Mazza is clearly NOT an impartial representative and should be one of the last people to be chair of such an inquiry. This is a complete waste of taxes for nothing more than a political witch hunt!

Sincerely,  
Erich
