The Inquiry on Personal Choice and Community Safety
Parliament House
4 Harvest Terrace
West Perth WA 6005

To the committee for the Inquiry on Personal Choice and Community Safety,

I make this submission that addresses the terms of reference 2 and 3:

(2) outdoor recreation such as cycling and aquatic leisure, including any impact on the wellbeing, enjoyment and finances of users and non-users; and
(3) any other measures introduced to restrict personal choice for individuals as a means of preventing harm to themselves.

I researched and made a film about the negative impacts to cycling and public health by the mandatory all-age bicycle helmet laws.

The film is called The Cycle of Reform.

Here is the link to the full film (22 minutes):
