Dear Hon Max Tenorden MLC

I refer to your correspondence received by my office on the 25th September 2009 regarding the Inquiry into Wooden Power Poles.

I can inform you that a report was presented to the Shire of Murray Councillors in the October round of Council Meetings and the below was resolved:

"That Council informs the Standing Committee on Public Administration that it agrees with the recommendations contained within the Energy Safety review titled 2008 Distribution Wood Pole Audit Review (May 2009)."

Please do not hesitate to contact my office if you require any further information.

Kind regards
