

Year  
5

Under 12

My family is from India Burma  
and Australia

You can have some days that you have to  
bring healthy food.

This does not apply to me because I already get  
fresh food

When I can't eat the food I eat I get a headache  
and I get kind of sick which means that I might  
miss school.

This thing does not apply  
to me

I don't get free food .

Yes i have learned about it and it helped me a lot
