

I believe we need to have a Kondinin Community Bus as it would service all sides of Kondinin and not have to rely on other buses to get our children to the Kondinin School.

- Kondinin PS does not have a Kondinin specific bus that brings children into the school. Children have to catch the Kulin/Hyden bus into town. This bus is designed for secondary students who wish to travel to Kulin from Hyden/Karlgarin/Kondinin to Kulin DHS. It also takes Kondinin town primary children out of town to Kulin. This is at tax payers expense.
- Many people new to town assume that the only option is Kulin or Narembeen. They do not even consult our wonderful school to see what is on offer.
- Kondinin PS is currently missing out on about \$7100 per student on those who seek education out of town.
- Children who are educated out of town generally end up playing sport out of town. Their parents often shop out of town etc. This impacts our wider community.
