Select Committee into the Operations of the RSPCA WA (Inc)

Subject:

protection for the RSPCA.

The Hon. Rick Mazza.

The RSPCA needs all the help it can get. You must see that Animal Welfare, for which it was formed, is not compromised.

They need funding, to attain their objectives, and it's up to you to protect them from those who would strip them of the ability to do their job. And that is to protect creatures who cannot protect themselves, however they need to do it. It's up to you, to carry the flag, for those who cannot speak.
