Subject: Submission to eolcc

Hi,

This is a submission to the Joint Select Committee on End of Life Choices.

I would like to express my opposition to the introduction of any Laws or Regulations in Western Australia that will make assisted dying lawful.

In my view assisted dying devalues life, and I think it is vital that our community always values life as precious.

Continuing the focus on providing and improving palliative care is a demonstrated alternative to assisted dying.

Yours sincerely,
Glenn Smith
