Subject: No to shooting animals in WA

Dear Ms Mesiti,

As a Western Australian resident and voter, I would like to register my most vehement opposition to recreational killing of any animals, no matter their "status" - feral or otherwise.

Killing any animals for any reason is questionable, but killing animals for "sport" or fun is completely unconscionable.

The risks of injury and prolonged suffering to animals is simply unacceptable, but the risks to safety are not confined to the animals which will be targeted, but also humans using the public lands in and around the vicinities opened for recreational killing.

Thank you for considering my submission.

Sincerely,

Katrina Love
