Dear Mrs O'Malley,

Request for submission to Parliamentary inquiry

Thank you for your correspondence dated 7 July 2023 regarding the inquiries of the Public Accounts Committee of the Legislative Assembly of Western Australia into linkages between progress on Environmental, Social and Governance Outcomes and international investment.

At NSW Treasury Corporation we enjoyed early engagement regarding our experiences with Western Australian Treasury Corporation as they set about establishing their Sustainability Bond Framework.

A suite of documents relating to the NSW Sustainability Bond Programme including our framework and Annual Reports can be found at <https://www.tcorp.nsw.gov.au/html/sustainabilitybonds.cfm>.

We note the subsequent inaugural issuance under that programme earlier this year and the strong reception it received from investors.

I wish you success in the completion of your work and continued success in attracting international investment to Western Australia.

Yours sincerely,

David Deverall
Chief Executive
