Subject: Euthanasia VOTE

Importance: High

Hello, I am writing to express my request that WA consider allowing Euthanasia to be legal. I have a father with Cancer, who has been told its aggressive and a mother that feels pain every day and wishes that before her pain gets too bad, Victoria will allow the vote to go through parliament.

We had our cat put to sleep yesterday and it was the kindest and most beautiful thing to do. So for any person that is suffering (beyond any further medical help being possible) and wants the right to be able to choose this as well, I full heartedly support.

Please consider that it's our life, it's our choice.
