Select Committee into the Operations of the RSPCA WA (Inc)

Subject:

Waste of Taxpayers' Money

Now I've heard of governments doing idiotic and ludicrous things in my time, but this inquiry into the RSPCA really takes the cake.

First of all, I think the clue of what the RSPCA should be doing is in their title - Royal Society for the PREVENTION of CRUELTY to ANIMALS. That is pretty obvious.

And then, you have the audacity to make the Chair of this inquiry, Rick Mazza, from the SHOOTERS and FISHERS Party. Does that not strike you as absurd and completely farcical?

Your Government is democratically elected, but to vote as one on this matter is completely arrogant. How dare you waste my taxes on this!
