

Please help us. Many years ago we enrolled our children in Swan Christian College, the nearest Christian school to our town of Toodyay. There was a whole bus load of children going to this school and a paid bus service running to take them all. This has since been cancelled :(I have had to give up my job in order to take kids down to school & pick them up. There is no service whatsoever running up or down Toodyay Road. There is no Christian school in Toodyay & the local school does not have year 11 or 12. Mundaring Christian College has since been built so School Bus Services won't even talk to us as it is 7km closer to Toodyay than Swan Christian (but still doesn't offer a bus)
